We have received from Messrs. Wm. Wm. Warwick & Son another number of each of their popular Magazines viz: "Boys Own Paper," "Leisure Hour," and "Sunday At Home." No family should be without them as they fill up a want long felt of useful, instructive and pleasing reading for all members of the household.

The **Midland mixed train** coming south, on Saturday last, was thrown from the track near Uptergrove, by a broken rail. Two cars were thrown into the ditch and two of the train hands seriously hurt. We have not received the full particulars.

CANNINGTON had a row on Friday night last, which developed into a small riot before it ended. It appears some young men from Mariposa and others from Brook met in one of the hotels, and becoming well charged with a golly supply of "tangleleg" suddenly remembered they had an old grievance which required settling, accordingly the street was sought and the fray commenced. Before ending there were fifteen participants, but although the battle waged hot and furious no very serious injuries were sustained by either party. They have been summoned to appear before the cadi when they will undoubtedly contribute liberally towards the village revenues.

Rod Campbell's Spring Stock is on hand, the best ever came to Woodville.

MOTHERS who are startled at the hour of midnight by that ominous hoarse cough of your little ones, what would you not give for a prompt and certain means of relief from that dread destroyer of your children, Croup? Such a means you may have for the trifling cost of 25 cents. It is Hagyard's Yellow Oil, the great Household remedy for inflammatory and painful diseases. Do not rest over night again without it.

Our hotel keepers and butchers are now laying in their summer supply of ice. The ice on Lake Simcoe is unusually strong this year.

HARDWARE! HARDWARE!

THE attention of farmers and others who are thinking of building, is directed to the following facts:—In order to prevent disappointment, it is necessary to see just what you are buying, otherwise goods may be sent you of your order, which are not exactly what you want, and when different qualities and varieties are kept in stock, you can be much better suited by judging for yourself which you will take. When you have bought your hardware, very often a mistake is made in size or quantity, which necessitates sending back to the store and much time is thus consumed when you are dealing at a distance from home. In view of the above facts you are requested to call and examine the stock and prices of the undersigned who keeps constantly on hand A LARGE AND WELL ASSORTED STOCK OF SHEET-AND HEAVY HARDWARE.

R. F. KILLALY, Cannington.
 N. B.—Parties purchasing their Hardware from me, having more than they require of Glass, Putty, Nails, or any other articles, may return them and full price will be allowed if in good order. **TERMS, LIBERAL.**
