Paid Lightning.

Is the only instantaneous relief for Neuralgia, Headache, l'oothache, etc. Bubing a few drops briskly in is all that is needed. No taking nauseous medicines for weeks, but one miunte's application removes all pain and will prove the great value of Fluid Lightning. Twenty-five cents per bettle at J. G. Gilchrist's Woodville.

At a station in Montana the other day a Boston girl stuck her head out a Northern Pacific car, and exclaimed :- "The bewildering womanace which crowds this twarscendental scenewy with such indescwibable fascination and tinger its every featuh with such overpowering interest quite bweaks me up." And a number of members of the local vigilance committee standing on the platform looked grimly into each other's faces and muttered, "Oh, if it was only a man."-Bismarck Tribune.

FACT STRANGER THAN FICTION. It is a fact that Alonzo Howe, of Tweed, had a fever sore that afflicted him for thirty live years. Six bottles of Berdock Blood Bitters cured him, which he considers almost a miracle. It was but the natural result of the remedy restoring pure blood and perfect

secration. The slave trade flourishes in African lands measer to England than the Soudan is. In Tangier last week, a Spanish newspaper states, a negress of 17 was sold for \$39; one of 25 for \$42; another, middle-aged, for \$35; and a girl of 11 for \$37. ,

A FAVORITE EVERYWHERE. Wherever introduced Hagyard's Yellow Oil finds friends. It is the old reliable household remedy for external and internal use in all aches, pains, lameness and soreness of the flesh. A. L. Green, a prominent *lruggist of Belleville, says: "It is a great favorite here, and has a good sale."

There is something curious about it all. Last year the grain crop was short in Canada, and all over America, and the supposition was that in consequence the markets would become brisk and prices stiffen up. That has not been the case, however. Now we are informed on good authority that at Liverpool, New York, Chicago, and other great grain centres there is a glut of grain, so that even storage room, is becoming difficult to obtain.

A DOUBLE BENEFIT.

James Moore, a prominent resident of Leamington, writes that he cured himself of Dyspepsia of a year unration by one bottle of Burdock Blood Bibers, and two bottles cured his wife who had been for years a sufferer from the same disease. He conscientiously recommends it to all suffering from similar troubles .

In the island of San Domingo there is a remarkable salt mountain, a mass of crystaline salt nearly four miles long, estimated to contain \$9,337,600 tons, and so clear that type can be read through a block a foot thick. The mountain, geologists say, was once a plain at the bottom of the sea, and as the island rose from the ocean, this plain formed the bottom of a shallow lagoon, where the salt was deposited.

CRUSHED BY THE CARS.

A little son of John Spinks, Toronto, had his foot crushed by a G. T. R. Express train some time ago. Two doctors attended him without benefit, and amputation was propisel, but Hagyard's Yellow Oil was triel, which gave prompt relief and effected a speedy cure, even removing all stiffness of the joint.

Here is a fair sample of a small boy's diary, as given by an exchange :- "Got up and washed me-had breakfast-slid down hill-had a fight with Will Smith-we won't speak any more-wore a hole in the toe fof my new boot steering my sled-eat supper-pa spanked me about the bootwent to bed -bally good day."

FOR ALL ACES.

The aged, debilitated, and infirm will find renewed vigor and strength by taking Burdock Blood Bitters. The young hastening to early decay will also find in this revitali ang tonic a remedy worth trying.

The blowing down of an oak near Washington, Ga., revealed a little heap of gold and jewels, diamonds, rubies, and pearls, sail to bel worth \$20,000. It is supposed that they are part of the treasure lost by members of the Confederate Cabinet.

DANCER TRAPS.

Neglected colds are the fatal traps that ensuare many a victim beyond possibility of rescre. Take a cold or cough in time and it is easily conquered by that safe and pleasant vegetable remedy, Hagyard's Pectoral Balsam. Asthma, Bronchitis and pulmonary complaints generally soon yield to its healing influence.

An observant young man while in Florida was struck with the human-like courtship of the heron. The females stand in a row and look unconcerned, while the males strut and dance and prance around on the sand like Saratoga dudes. Finally one of the fair herons would smile on a dude heron, and away the pair fly. All those left invariably began to cackle and chatter as soon as a match was announced, and sometimes a rival would pounce upon the lucky swain to wring his neck.

Dear Sirs, -- I have been a sufferer from: Costiveness, Sick Healache, and Loss of Appetite for many years, felt always tired, so that life was a burden and all seemed dark to me. I have had medical attendance, and have tried almost all the advertised remedies, but without effect. A number of my neighbours, wno had used your Fountain of health, urged me to give it a trial, three bottles of which made one feel like a new woman,

Mrs. Barnhart, cor. Vice-General Laurent, parish priest at Bracebridge, has been appointed to the charge of Lindsay, and the appointment gives general satisfaction. The vice-general is barely turned the prime of life, is a good speaker, an able and popular priest, and one who from his past career it is felt will fill worthily the place of the lamented Father Strafford, and carry on the important work of the parish.

O. Bortle, of Manchester, Ontario Co., N. Y., writes: "I obtained immediate relief from the use of Dr. Thomas' Eclectric Oil. I have had asthma for eleven years. Have been obliged to sit up all night for ten or twelve nights in succession. I can now sleep soundly all night on a feather bed, which I had not been able to do previously to using the Oil."

What Toronto's well-known Good Samaritan says : "I have been troubled with Dyspapsia and Liver Complaint for over 20 years, and I have tried many remedies, but never found an article that has done me as much good as Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure."

An Irishman was going along a road, when an angry bull rushed down upon him, and, with his horns, tossed him over a fence. The Irishman, recovering ! from his fall, upon looking up saw the bull pawing and tearing up the ground (as is the custom of the animal when irritated), whereupon Pat, smiling at him said, "If it was not for your bowing and scraping and your humble apologies, you brute, faix I should think that you had thrown me over this fence on purpose!"

Faces as yellow as that of the "Heathen Chinee," in consequence of bile in the blood, grow fair and wholesome-looking again when Northrop & Lymun's Vegetable Discovery and great blood purifier is used to relax constinated bowels and expel the bilions poison from the circulation. Rheumatic and blood impurities are also driven out by it, digestion restored, and the system benefited in every way by its use.

"Why, sir, are you always gazing at the sunsets?" "Just because they are the only golden prospects I ever had before me!" It is spring. A resurrection of nature's latent forces is taking place. Like the world around you, renew your complexion, invigorate your powers, cleanse the channels of life. Ayer's Sarsaparilla is the means to use for this purpose.

AYER'S Cherry Pectoral.

No other complaints are so insidious in their attack as those affecting the throat and lungs: none so trifled with by the majority of sufferers. The ordinary cough or cold, resulting perhaps from a trifling or unconscious exposure, is often but the beginning of a fatal sickness. AYER'S CHERRY PECTORAL has well proven its efficacy in a forty years' fight with throat and lung diseases, and should be taken in all cases without delay.

A Terrible Cough Cured. "In 1857 I took a severe cold, which affected my lungs. I had a terrible cough, and passed might after night without sleep. The doctors gave me up. I tried AYER'S CHERRY PECTORAL, which relieved my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the PECTORAL a permanent cure was effected. I am now 62 years old, hale and hearty, and am satisfied your CHERRY PECTORAL saved me. CHERRY PECTORAL saved me. HORACE FAIRBROTHER." Rockingham, Vt., July 15, 1882.

Croup. - A Mother's Tribute. "While in the country last winter my little boy, three years old, was taken ill with croup; it seemed as if he would die from strangulation. One of the family suggested the use of AYER'S CHERRY PECTORAL, a bettle of which was always kept in the house. This was tried in small and frequent doses, and to our delight in less than half an . our the little patient was breathing easily. The doctor said that the CHERRY PECTORAL had saved my darling's life. Can you wonder at our gratitude? Sincerely yours,

MRS. EMMA GEDNEY."
