Holloway's Pills.—Sleeplessness, flatulency, acidity, nausea and all dyspeptic indications may be speedily relieved by these famous Pills, of which large quantities are shipped to all parts of the world. In weakness of the stomach, in diseases of the liver, and in disorders of the system caused by cold or a sluggish circulation, no medicine is so efficacious, no remedy so rapid, as these Pills, which are altogether incapable of doing mischief. By quickening digestion, they give refreshing sleep, sharpen the appetite, impart tone to the digestive organs, purify and enrich the blood, regulate the secretions, and strengthen the whole physical frame.
