A collision occurred near Hull early yesterday morning between the Winnipeg express and a freight train. Fortunately the passengers and train hands escaped with a severe shaking, but both engines and the baggage cars and several freight cars are badly smashed.

Two members of the London city council have exchanged compliments in public, the nature of which it took the words "low, mean cur, insolent, mere thing, kick you out, despicable," to express. And London has been called the "Ferest City," a name redolent of wild flowers, rustic simplicity and arcadian happiness!

Mr. Dyke, the Liverpool agent of the Dominion Government, strongly urges Canadian dairymen to go into the business of packing butter in tins for export to Britain and re-export to the hot countries with which Britain does such an immense trade. There is probably a large trade to be built up in this line, as small tirs of gilt-edged butter would sell freely at high prices in England.

despatched a vessel to the West Indies laden with Canadian goods, are now about to despatch a second vessel, the destination this time being the Argentine republic. The St. John people are certainly not wanting in enterprise. They are moving in the exporting experiment without a subsidy, and are actually operating in advance of the report of the Government agent.

The announcement that Lord Lansdowne is to succeed Lord Dufferin as Governor-General of India gives rise to the question what position will be given to the present Viceroy. Since his residence here the people of Canada have followed the career of Lord Dufferin with continued interest, and it is felt that the Empire should still retain his valuable services in some capacity.
