If you want a good Mirror, Picture or Frame, go to Sherman's.

The fine moonlight evenings attract a large number of our villagers out to enjoy a promenade.

Dentistry.—Remember that one of the firm of Neelands & Pentland, will be at the "Queen's Hotel," on Tuesday, 15th inst.

Mr. A McLeod, Woodville, preached in the Presbyterian church, Glenora, last Sabbath morning to a large and attentive congregation.

Resumed.—White & Bro. have resumed work in their foundry. They are now running full time with a full compliment of hands.

Trade.—Business dull on account of the bad roads, and clerks looking as though their hearts were nearly broken with grief at their enforced idleness.

Personal.—Mr. A. A. McLaughlin, of Cobocok, Inspector of Licenses, for North Victoria, and Mr. Jno. Matthe, Inspector for South Victoria, were in town on Tuesday last.

A few of the many friends of Mr. David Sidey, entertained him to a lobster supper, at the "Eldon House," on Monday evening, and presented him with a gold ring and a Masonic breast-pin.

The Roads.—The roads in the neighbourhood of Woodville are in a fearful condition. The drifts of partially melted snow render them almost impassible and it will be some time before they will be anything like good.

The Lindsay Post last week commenced the publication of their "Delinquent List," containing the names of parties who have "beat" the proprietor of that paper. We have several names on our books that we intend publishing.

Draughts.—Mr. Robert Oriol, the champion draught player of Lindsay, beat Mr. S. Lamb, the Omamee champion one evening last week. Could not some of our Woodville chequer players try a game with the Lindsay champion for the championship of the County.

For the North-West.—A large party of intending settlers, several of whom were from Woodville and vicinity, left Midland Junction, on Tuesday last, for Manitoba. All appeared to be in excellent spirits, very sanguine of success and well pleased with the prospects before them.

Sanitary reforms cannot be too complete. With the opening of spring comes the most sickly season of the whole year, and it behooves our village people and authorities to set to work early and clean up the accumulated filth of the winter, and to bear in mind that an ounce of prevention is worth a pound of cure.

Lacrosse.—A meeting will be held in the Town Hall, to-night, for the purpose of re-organizing the Lacrosse Club and electing officers. We trust there will be a good attendance. Although only organized late in the summer the club gave a good record of themselves last year, and we expect to hear of great deeds done by them during the coming season.

Maple Sugar.—Little or none of this sweetly delicious article has been bro't into the village as yet, but the good time must come shortly. From this out we hold ourselves in readiness to pronounce on the choicest samples of the saccharine substance entrusted to our judgment, on short notice. Our "Ned" is also smacking his lips in anticipation.

Departures.—In ones and twos our villagers are leaving us. Last Wednesday Mr. Peter Clifford, caterer, etc., left town without even leaving us a lock of his hair. We miss his beaming countenance and cheering voice, and along with others we weep..... This week Messrs. David Sidey and son, P. Crouter, John Sidey and Alex. Taylor, left for Manitoba and the U. S.

A Commendable Step.—The Constable of Madoc village has given warning that all boys found in groups on the streets after 7 o'clock in the evening will be taken before the magistrate and punished. He has also notified the village hotel keepers not to allow minors to lounge in their bar-rooms, at any time, as they are subject to a fine for so doing. Would it not be well for some of our village officials to follow the example set by the Madoc constable.

Good Friday to-morrow.
GRAND FOR EASTER.—A splendid assortment of cards, at Sherman's.
The Fairbairn Family, Scottish Vocalist, are now en route for Canada. We hope to have the pleasure of hearing them again before long. They are always welcome in Woodville.

Farewell Supper.—On Monday evening last, the members of "Cicerone" Lodge, I. O. O. F., gave a farewell supper to their Noble Grand, Mr. Jno. S. Sidey, on the eve of his departure for the United States. The Lodge-room was tastefully decorated, and about twenty-five members and friends sat down to a sumptuous repast of oysters, lobsters, etc. After ample justice had been done to the luscious bivalves, Mr. Symons, of Lorneville, was called to the chair, and Mr. Jas. A. Mitchell to the vice chair. "The Queen and Royal Family," and other loyal and patriotic toasts were duly honored. "The Guests of the Evening," was received with three times three, and duly acknowledged. "Our Sister Societies," "Our Sister Lodges," and other toasts quickly followed, and were responded to by Messrs. Silverwood, Close, McCartney, Lethbridge, Stephenson, Crosby, Smith and others, interspersed with songs by Messrs. Mitchell, Fotheringham, Cave, McSweyn, Adams, Barber, Long and Crosby. "Auld Lang Syne" terminated a very pleasant meeting.
