

WOODVILLE

CHEAP CASH STORE!

MCINTYRE & PRIOR

ARE STILL TO THE FRONT!

Twelve months in business in Woodville, with pleasure and profit the result, and our sincere thanks to our numerous customers and friends, and hoping for a continuance of their liberal patronage during the present year. During this period of our business career in Woodville, we are thankful to state that it has been very successful, even surpassing our most sanguine expectations. This we attribute to the fact that we established our business on the

STRICTLY CASH BASIS,

Believing it to be the very best and most satisfactory way to do business and the only road to success and as the balance sheet of our business for the past year is before us showing a large profit to our credit, these statements therefore have been proven, and, as in the past, we in the future are determined to adhere to the CASH SYSTEM.
