

BEAVERTON.

From the Express.

SUCKER fishing has commenced. A GOOD baker is much needed in this village. Mr. ALEX. DOBSON expects his wool-len mill to be in operation next week.

THE ice on Lake Simcoe broke up somewhat hurriedly last Friday week. MR. P. COCKBURN, Esq., M. P., was at home last week for the Easter holidays.

THE new woollen mill is having a stone basement placed under it. It will be operated by steam power. SOME of our village speculators, we learn, have been operating in Chicago pork with a result to their credit of some \$2,000.

THERE is a splendid opening in this village or its vicinity for a cheese fac-tory. Every facility is available and the venture would certainly be a pro-fitable one to an energetic man.

MR. JNO. McNABB, who recently left here for Manitoba, has returned. It appears the civilization or accommoda-tion of that country did not suit him as well as that of Beaverton.

THE Manitoba fever is beginning to be felt in this neighborhood. Last Tuesday Messrs. Dun, McRae, Angus Ross, Murdoch McRae, and Don. Mc-Rae, of Thorah, left for Winnipeg.

MR. W. B. TIDALE, Banker, of Beaver-ton, leaves this week for a three months' absence in Manitoba and the North West. During his absence the bank will be under the management of Mr. Edward Tidale, of the firm of Cooper & Tidale, Beaverton.

THE Liberal-Conservative convention for the approaching elections, was held at Sunderland on Good Friday. Mr. N. F. Patterson, of Port Perry, re-ceived the unanimous nomination for the Commons, and the present member, Mr. F. Madill, M. P. P., received the unanimous nomination for the Local Legislature.

AN accident which came near being a fatal one, occurred here on Thursday of last week. Smith Thompson, a young man in the employ of Mr. John Mc-Kinnon went shooting. The gun ex-ploded blowing it to pieces. Wonderful to relate, Thompson escaped with no further injuries than a severe wound in the hand and a bad shaking.

THE annual vestry meeting of St. Paul's church, occurred on Monday evening last. Mr. S. A. Parson was appointed People's Churchwarden and Mr. C. Patterson by pastor. Messrs. Reynolds and Williamson were ap-pointed delegates to the Synod to be held at Toronto in June next. Mr. A. Sackett caretaker for the year.

At a meeting held on Friday even-ing of last week, an association, styled the "Thorah Young Men's Liberal Club," was organized. Officers were elected, and addresses delivered by several resident gentlemen. The next regular meeting of the Club will be held on Friday, 21st inst., when all young men of the township, friendly to the Reform cause, are invited to attend.

The final survey of the Toronto and Otta-wa Railway is now being made, the line will run just north of Ashburn, Balsam, Myrtle and Clarendon.

Thomas Myers, Bracebridge, writes: "Dr. Thomas' Eucalyptic Oil is the best medicine I sell. It always gives satisfaction, and in cases of coughs, colds, sore throat, &c., immediate relief has been received by those who use it."

The railway suit between the Township of Brock and the T. & N. Railway Company is at length finally settled, the council accept-ing \$500 in full settlement of suit.

A REAL NECESSITY.—No house should be without a bottle of Haggard's Yellow Oil, in case of accident. There is no preparation offered to suffering humanity that has made so many permanent cures, or relieved so much pain and misery. It is called by some the Good Samaritan, by others the Cure-all, and by the afflicted an Angel of Mercy.

WEAK LEGS AND HOW TO MAKE THEM STRONG.—Breathe with the mouth closed, have access at all times to pure air, exercise moderately, eat nourishing but simple food, and take that best of all cough remedies, Haggard's Pectoral Balsam, it speedily cures a tight chest and lung troubles of adults or children. Price 25 cents per bottle.

A Chicago firm are erecting a hot-blast charcoal furnace near Kilmount. This industry will give employment to nearly 200 men.

Holloway's Pills.—Though good health is preferable to high honor, how regardless people often are of the former—how covetous of the latter! Many suffer their strength to drain away ere maturity is reached, through ignorance of the faculty afforded by these incomparable Pills of checking the first untoward symptoms of the derangement, and reinstating order without interfering in the least with their pleasure or pursuits.

To the young especially it is important to maintain the highest digestive efficiency, without which the growth is stunted, the muscles become lax, the frame feeble, and the mind slothful. The removal of indiges-tion by these Pills is so easy that none save the most thoughtless would permit it to sap the springs of life.

GLENARM.

From Our Own Correspondent.

PERSONAL.—The many friends of Mr. Finlay Brown will be pleased to learn of his success at the recent examinations held in Montreal, having passed the entrance ex-amination to the medical college with credit and efficiency. We congratulate Mr. Brown on his distinction.

MATRIMONIAL.—On Wednesday last Mr. James Gilchrist of this place, and Miss Janet Spence, youngest daughter of the late John Spence, Esq., of Eldon, were united in the bonds of matrimony. The ceremony was performed by the Rev. Mr. McDonald of Glenarm. It is needless to say that both the bride and bridegroom looked their best, and that is saying a good deal. The happy couple have the hearty wishes of a large circle of friends in this neighbourhood for their future happiness and prosperity.

KENDALL'S SPAVIN CURE,

The Most Successful Remedy ever dis-covered, as it is certain in its effects and does not blister. READ PROOF BELOW.

From the Ontario Press, New York.

ONEONTO, New York, Jan. 6th, 1881. Early last summer Messrs. B. J. Kendall & Co., of Enosburgh Falls, Vt., made a contract with the publishers of the Press for a half column advertisement, setting forth the merits of Kendall's Spavin Cure, for one year. At the same time we secured from the firm a quantity of books entitled Dr. Kendall's Treatise on the Horse and his Diseases, which we are now giving to ad-vance paying subscribers to the press as a premium.

About the time the advertisement first appeared in this paper, Mr. Schermerhorn, who resides near Colliers, had a spavined horse. He read the advertisement and concluded to test the efficacy of the remedy, although his friends laughed at his credulity. He bought a bottle of Kendall's Spavin Cure and commenced using it on the horse in accordance with the directions, and he informed us this week that it effected such a complete cure that an expert horseman, who examined the animal recently could find no trace of the spavin or the place where it had been located. Mr. Schermer-horn has since secured a copy of Kendall's Treatise on the Horse and his Diseases which he prizes very highly and would be loth to part with at any price, provided he could not obtain another copy. So much for advertising reliable articles.

Kendall's Spavin Cure

ON HUMAN FLESH.

Thousands of trials on Human Flesh has proved beyond a doubt that "Kendall's Spavin Cure" has sufficient strength to penetrate and virtue to cure the worst cases of rheumatism, corns, bunyons, frost-bites, or any bruise, cut or lameness which are not affected in the least by ordinary lin-iments. It does not blister but on the con-trary removes all soreness.

Kendall's Spavin Cure.

St. John, P. Q., Oct, 27th, 1881. Dr. B. J. KENDALL & Co., Gents:—I have used your Spavin Cure with great suc-cess on spavins, curbs and splints. I know it to be a good remedy for ringbones, bone spavins, cuts, galls and all kinds of lame-ness and many other difficulties about the horse. One of my men sprained his ankle very badly. I applied Kendall's Spavin Cure and I never saw anything work like it, he was well in a few days. I know it to be good for man as well as beast. I procured one of your Treatise on the Horse, by mail-ing 25 cts., and I think it was the means of saving me \$100, on one horse that I treated according to the directions given in your book for displaced stillo.

Yours truly, WM. J. PEARSON.

Dunham, P. Q., March 10th, 1879. Dr. R. J. KENDALL & Co., Gents:—About a year ago I fell in the road on to some ice and was badly hurt on the hip joint, which caused me much suffering. I tried various remedies but none gave relief until I tried Kendall's Spavin Cure. I ap-plied it full strength twice a day for about two weeks during last October, and it effected a perfect cure; I have since then been well and free from lameness. It is very valuable for man as well as beast.

Yours truly, CHESTER K. GREEN.
