**Lornoville.**  
From Our Correspondent.  
**PERSONAL.**—Miss Maria McDonald, who has been in the employ of D. Henderson of Woodville the past year, left here last Thursday for Orillia accompanied by her sister Annie. It is their intention to carry on their former trade of tailoring, they carry with them the best wishes of this section.

**Stock Sold.**—Mr. A. McIntyre sold last week to Jno McKinnon of Woodville, five head of fat cattle for which he realized a handsome figure.

**SHIPS.**—Mr. Norman Campbell west of here received a car load of lumber last week.

Mr. Fraser, of Hartley has moved here and opened out the shop formerly occupied by B. Thomas. He comes here as an experienced blacksmith we hope the people of this section will patronize Mr. Fraser and pay him promptly and by so doing we have no doubt but he will do well.

Moison's Sale came off last Thursday and every thing realized high figures. The principal buyers were Messrs. Adams of Lindsay and Peter Morrison of Sandringham.

**Seabright.**  
From Our Correspondent.

**TEA MEETING.**—A tea-meeting was held in the church here on Thursday last. The attendance was not large owing to the bad condition of the roads. After tea had been served the Rev. Mr. Calvert minister of the circuit, delivered a lecture on New Zealand and his voyage there. He gave an interesting description of the inhabitants of New Zealand, its chief industries, its mineral wealth, climate, and the fertility of its soil, which he said was, compared with Canada as 31 to 11. Although the lecture was far-fetched, the lecture proved very interesting, and showed Mr. Calvert to be possessed of no ordinary descriptive powers.

**DAILY MAIL.**—Our post-master, Mr. Herring, is about sending to the Post Master General, a numerous signed petition, to have mail matter carried daily, between Dartmouth and Atherly, via Seabright. Well, we hope, &c.

**SCHOOL IMPROVEMENT.**—The trustees of this section have immortalized their eyes, by furnishing our school house with new desks. The next in order will be a new school building. Truly we are progressing. But, pshaw! of what interest is that to outsiders.

Health is a duty. Disease a curse. Use Dr. Henry Baxter's Manfrak's Bitters and be cured of all biliousness and indigestion. 25 cents will buy a large bottle.
