

Woodville Local News.

In reviewing his subscription to the Advocate, Mr. James M. Campbell, of Newberry, Mich. writes:—"We are having fine spring weather in this part of the country, the ground is all clear of snow and everything indicates an early spring. This is a good country for parties wishing to make themselves and families good homes. Good farmstead land, also school and government lands are for sale cheap. I can make as much money in this country in three months as I ever did in Canada in a year. This some do not like it, but if some people got to heaven they would not like it. I am glad to hear Woodville is incorporated and wish it every success, when I make a small fortune in this country, I may go back and make myself a home there about. I still maintain a warm feeling towards my birthplace. We have here a few familiar faces from that part of the country. D. M. Campbell of Eldon, Ark. Campbell of Argyle, Dumosa McLean of Manilla, Allen McCaskill Cannington and others.

The election on Monday brought several strangers to town.

CAPT. HUNGAN SINCLAIR was in town on Monday, as also Mr. Hector Grant of Thorah.

DISEMPERABLE cold, weather. A NEW baker in town.

MR. JAMES F. CLARK'S team ran away on Thursday last breaking the buggy and scratching themselves severely.

ORILLIA now has a third paper and from its make up and general appearance, it promises to be no insignificant rival to those already established in that town. The News Letter it is called, and the publisher claims the investment of \$3,000 in it. We wish his enterprise success, but think Orillia is so a with it over one.

MR. SAMUEL MERRYFIELD who was severely hurt in the recent run off on the Midland Railway at Waubashene died on Tuesday morning from the injuries sustained. The Merryfields were formerly residents of this village.

Our customers and friends will please remember that we have our Millinery show rooms up stairs. McIntyre & Prior, Woodville.

A MARVELOUS STORY
TOLD IN TWO LETTERS.

FROM THE SON: "28 Cedar St., New York, Oct. 28, 1882.
Gentlemen: My father resides at Glover, Vt. He has been a great sufferer from Scrofula, and the enclosed letter will tell you what a marvelous effect

Ayer's Sarsaparilla

has had in his case. I think his blood must have contained the humor for at least ten years; but it did not show, except in the form of a scrofulous sore on the wrist, until about five years ago. From a few spots which appeared at that time, it gradually spread so as to cover his entire body. I assure you he was terribly afflicted, and an object of pity, when he began using your medicine. Now, there are few men of his age who enjoy as good health as he has. I could easily name fifty persons who would testify to the facts in his case.

Your truly, W. M. PHILLIPS.
FROM THE FATHER: "It is both a pleasure and a duty for me to state to you the benefit I have derived from the use of

Ayer's Sarsaparilla.

Six months ago I was completely covered with a terrible humor and scrofulous sores. The humor caused an incessant and intolerable itching, and the skin cracked so as to cause the blood to flow in many places whenever I moved. My sufferings were great, and my life a burden. I commenced the use of the Sarsaparilla in April last, and have used it regularly since that time. My condition began to improve at once. The sores have all healed, and I feel perfectly well in every respect—being now able to do a good day's work, although 73 years of age. Many inquire what has wrought such a cure in my case, and I tell them, as I have here tried to tell you, AYER'S SARSAPARILLA. Glover, Vt., Oct. 21, 1882.
Yours gratefully,
HIRAM PHILLIPS."

AYER'S SARSAPARILLA cures Scrofula and all Scrofulous Complaints, Erysipelas, Eczema, Ringworm, Blisters, Sores, Bolls, Tumors, and Eruptions of the Skin. It clears the blood of all impurities, aids digestion, stimulates the action of the bowels, and thus restores vitality and strengthens the whole system.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists; \$1. six bottles for \$5.

Holloway's Pills.—Important for the delicate.—It is difficult to determine which is the more trying to the human constitution, the damp, cold days of autumn and winter, or the keen, dry, westerly winds of spring. Throughout the seasons good health may be maintained by occasional doses of Holloway's Pills, which purify the blood and act as wholesome stimulants to the skin, stomach, liver, bowels, and kidneys. This celebrated medicine needs but a fair trial to convince the ailing and desponding that it will cheer and restore them without danger, pain, or inconvenience. No family should be without a supply of Holloway's Pills and Ointment, as by a timely recourse to them the first erring function may be reclaimed, suffering may be spared, and life saved.

Never Give Up.

If you are suffering with low and depressed spirits, loss of appetite, general debility, disordered blood, weak constitution, headache, or any disease of a bilious nature, by all means procure a bottle of Electric Bitters. You will be surprised to see the rapid improvement that will follow; you will be inspired with new life, strength and activity will return; pain and misery will cease, and henceforth you will rejoice in the praise of Electric Bitters. Sold at fifty cents a bottle by John McKinnon Beaver-ton.
