Enjoy Life.

What a truly beautiful world we live in! Nature gives us grandeur of mountains, glens and oceans, and thousands of means of enjoyment. We can desire no better when in perfect health; but how often do the majority of people feel like giving it up disheartened, discouraged and worn out with disease, when there is no occasion for this feeling, as every sufferer can easily obtain satisfactory proof, that "Green's August Flower," will make them free from distress as when born. Dyspepsia and Liver Complaint are the direct causes of seventy-five per cent. of such maladies as: Biliousness, Indigestion, Sick Headache, Costiveness, Nervous Prostration, Dizziness of the Head, Palpitation of the Heart, and other distressing symptoms. Three doses of "August Flower" will prove its wonderful effect. Sample bottles, 10 cents. Try it. If
