Liberal-Conservative Association.
BEAVERTON, April 2.—On Saturday evening a large and influential meeting of the Liberal-Conservative electors of this district was held in this village. An association was organized similar to the one formed some years ago called the "Beaverton Village and Thorah Township Liberal-Conservative Association." Capt. C. A. Patterson was elected president and Mr. J. C. Jennett, secretary. Chairmen and Secretaries were appointed for each of the divisions of the township as follows: No. 1, Reeve Alex. McRae and Mr. W. Osborne; No. 2, Mr. John Murray and Mr. Charles Jalloway; No. 3, Mr. Ewan Cameron and Mr. J. McArthur, Mr. Wm. Daly was elected treasurer. After an able address by Mr. Frank Madill, M. P., the following resolution was unanimously adopted: That, in the opinion of this meeting, unrestricted reciprocity would be of no benefit, financially or otherwise, but injurious to the Canadian farmer and our manufacturing interests.—[Ex.]

A Find.
One day recently as a fisherman was spearing through the ice at the mouth of the Black River, south of here. The spear struck what he supposed to be an old shoe lying on the bottom. On closer examination, however, it was found to be a large anchor with about ninety feet of chain attached. The story connected with this find is about as follows: In the year 1862, now 26 years ago, a large boat anchored in the mouth of the river, while its crew bent on a carouse, made their way to the then famous "Morning Glory" inn. During the night a storm arose, the boat parted her cable and drifted away. A reward of \$25.00 was offered for the recovery of the anchor but although many efforts were made to recover it, all proved unavailing until the event we have recorded above.
