Woodville Local News.

Mr. NEIL PATTERSON left for Colorado, U.S. last Monday. VICTORIA COUNTY COUNCIL will meet on Tuesday, the 12th prox. The Cheapest Tweeds and Worsteds at McIntyre & Prior's, Woodville. Nothing can be more pleasing to the eye than a nice collection of House plants. Mr. W. G. Smith has a fine variety on hand.

Mr. DUNCAN McDOUGALL who has been engaged in this office for the past four years left for Toronto on Monday last, to seek fame and fortune. We hope to see him find them.

THE Post will accept, our humble thanks for our correction. And we stand reprieved, humbled. Errors are of such rare occurrence in our sheet that our cotem cannot avoid detecting them.

MR. J. SCOTT, for some time past a teacher in the Glasgow school, has, we understand, purchased a general stock of goods in the village of Woodville, to which place he will in all probability remove, as soon as his place can be filled in the school.

THE New Midland time table will shortly be issued and trains from Midland will run down the T. & N. Branch to Wick where they will connect with the train to leave Port Hope at 6 a. m., connecting with train from Peterborough at 7 a. m., and passing Lindsay at about 8 a. m.

WE have heard many complaints lately sent the Woodville cheese factory. From present appearances the institution is not to be in operation this season. Some time ago parties were in the village endeavouring to form a stock company for the purpose of operating the factory, a meeting was advertised but the result we have never heard but we suppose from the fact that nothing is being done, that it was a failure.

Ill-fitting boots and shoes cause corns. Holloway's Corn Cure is the article to cure.

Now THAT there is a reliable remedy for kidney troubles, half the horrors attached to these complaints have been removed. For this let us be thankful, and to DR. VAN BUREN'S KIDNEY CURE award all praise for having thus removed a hitherto considered fatal disease from our path. It was never known to fail. Sold by all druggists.

The superiority of Mother Graves' Worm Expeller is shown by its good effects on the children.

J. S. Wetherell, writing from Winnipeg, says: "I can say more about PHOSPHATINE now than when I saw you last in Toronto. My health is much improved, and I am free from headaches or any aches, having only used two and a half bottles of your Phosphate. For sale by all druggists."

G. W. Mingay, Parkdale, Toronto, writes: "My wife had several very severe attacks of cramps in the stomach. Hearing of DR. AUSTIN'S PHOSPHATINE, and its pleasantness to take, I gave her two bottles, and she has not had an attack since, and her health is much improved." For sale by all druggists.

Mr. G. W. Macully, Pavilion Mountain, B. C., writes: "Dr. Thomas' Electric Oil is the best medicine I ever used for Rheumatism. Nearly every winter I am laid up with rheumatism, and have tried nearly every kind of medicine without getting any benefit, until I used Dr. Thomas' Electric Oil. It has worked wonders for me, and I want another supply for my friends. &c."

As the rest of winter vanish under the calorific influence of the sun's rays, so does Bright's Disease, Dropsy, Stone in the Kidneys and Bladder, and Inflammation of the Kidneys, leave the body upon the administration of DR. VAN BUREN'S KIDNEY CURE. Sold by all druggists.

THE ROCK ON WHICH MANY a constitution goes to pieces is Dyspepsia. The loss of vigor which this disease involves, the maladies which accompany it, or which are aggravated by it, the mental despondency which it entails, are terribly exhaustive of vital stamina. Its true specific is Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, which likewise overcomes bilious maladies, female ailments, and those coupled with impurity of the blood.

Joseph Busan, Percy: "I was induced to try Dr. Thomas' Electric Oil for a lameness which troubled me for three or four years, and I found it the best article I ever used. It had been a great blessing to me. Frauds may imitate Dr. Thomas' Electric Oil in appearance and name, but in everything else they are dead failures."

ALL the glands are secreting organs of which the liver is the largest. Regulate the glandular secretions and open the clogged channels of circulation with Burdock Blood Bitters.

Mr. T. C. Wells, Chemist and Druggist, Fort Colborne Ont., writes: Northrop & Lyman's Vegetable discovery and dyspeptic cure suits well, and gives the best of satisfaction for all diseases of the blood. It never fails to root out all diseases from the system, cures Dyspepsia, Liver Complaint, ect., purifies the blood, and will make you look the picture of health and happiness.

IN THE history of medicine no preparation has received such universal commendation for the alleviation it affords, and the permanent cure it effects in kidney diseases, as DR. VAN BUREN'S KIDNEY CURE. Its action in these distressing complaints is simply wonderful. Sold by all druggists.
