The assessment of personal property in the stocks of various merchants of the village is creating some stir. Certainly the council have the best of the argument and as it is generally conceded the correct and just thing. We hope a fair assessment will be arrived at. Such properties have in the past been considered exempt by the township, and the imposition of taxes now is regarded by some as an infringement.

Our customers and friends will please remember that we have our Millinery show rooms up stairs. McIntyre & Prior, Woodville.

Save money and leave your order for any kind of watch at Gunn's, Woodville.

The village Assessor has gone his rounds. Dissatisfaction is general, but of course, this is to be expected, considering the circumstances which surrounded the case. On the Eldon side the village assessment has been ridiculously low, while the Mariposa rate-payers stand on a fair basis. To equalize the two is by no means an easy task and in fact it should not be expected that a truly equitable assessment will be made the first year. However, we believe there is a serious task in store for the court of Revision which they should at once prepare to grapple with.

WOODVILLE thieves have been discovered at work in the village. Mr. Peter Mc-Sweyn discovered one rascal making off with a supply on Sunday night. We would caution those having wool exposed and also those inclined to appropriate the same.

We invite the Ladies to inspect our large and well selected stock of Millinery. Miss Hartley is a first-class Milliner and Mantle Maker. McIntyre & Prior, Woodville.

MR. JAMES STUART is having a cistern hole dug and on reaching the depth of five feet frost was discovered and which descended another eight inches. This was in a somewhat sheltered location.

I. O. L. No. 568, of Cannington intend having an excursion to Peterboro' on the 4th of June. All points between Beaverton and Cobocook to Manilla Junction can take advantage of this cheap excursion. The round trip will be only \$1.00 and tickets good for two days. A special train will leave Beaverton at 7 o'clock a. m., and will run via Blackwater and Millbrook Junction. Those participating in the excursion between Cobocook and Lorneville can go and return by regular trains. Full particulars can be seen in large posters. All who can should join in this first-class cheap excursion. Peterboro' is one of the finest towns in Canada and we hope to see a large turn out all along the line. Don't miss it.

New Millinery! New Hats! New Bonnets, Feathers, Flowers, Trimmings &c. Just opened out at McIntyre & Prior's Woodville.

THE dog tax is to be enforced at once, as soon as tags are in the hands of the Treasurer. Those desiring to maintain an indigent cur should leave their name and one dollar with Mr. Gilchrist at once. Dogs found running without the regulation tag will be shot by the constable, who is now steadily practising and may be relied on as a dead shot.

ELDON Township Court of Revision will be held on Monday June 2nd, at McIntyre's Hotel, Lorneville.
