Uxbridge town council is assisting the band to erect a handsome band stand.

The new Methodist church at Uxbridge is to be 75 feet square with a 25 ft alcove at the back and a large gallery across the front end and half way down the sides, capable of seating 800.

Orillia doctors removed a cancer and one breast of a woman named Mrs. Bennet one day last week. The patient is doing well.

Orillia town has awarded the band \$100 for weekly open air concerts during the summer season. Beaverton council should do likewise.

The Presbyterians of Orillia have decided to erect a new church in that town capable of seating one thousand.

The Narrow's bridge is now completed. Another victim of the deadly railroad frog is reported from Allandale. The young man's foot was caught and he was run down, the wheels passing over

his head. The new locks at Rosedale are to be started at once.

The brickmakers of Peterborough have formed a trust that will put brick bats at too great a premium to be used as weapons in affairs of honor between members of the Lime Juice Club in

Shelburne. It is reported that a nugget of pure gold weighing 991 ounces was taken out of Vermilion mine, at Sudbury, last

What was doubtless intended for a joke, but is a malicious hoax, was perpetrated by some unthinking numbskull inserting in the Toronto "World" a notice of marriage of J. V. Ham to Miss Nellie Armstrong, two estimable young people of Markham. Some people have very queer ideas as to what constitutes a joke.

Fall wheat has suffered in some parts of Ontario from night frosts. The top of the plant has been nipped, while the process of freezing in the night and thawing in the daytime has upheaved the soil leaving the roots bare. The extent of the injury is not fully known and it is possible that it may be in part re-

Burglars spent several hours breaking open an empty safe at Spinks' flouring mills, Pickering, on Saturday. The safe

was entirely destroyed. The last annual report of the births, marriages and deaths, ending 31st Dec. 1886. issued by the Ontario Government and just to hand gives the population of the county of Simcoe at 82,394 with 1687 births, 517 marriages and 601 deaths during the year. The following are the five principal causes of death : old age. phithisis, diphtheria, diarrhœal affec-

tions and typhoid fever. Au addition of 100 volumes is to be made to the Waubaushene library.

Oil was struck at Comber, Essex county, in a second well, at about a depth of about twelve hundred feet. A rich oil field undoubtedly exists there.

George Greer, son of Richard Greer,

farmer, township of Fenelon, was killed Friday afternoon by the falling of a tree while chopping in the woods. He only lived about half an hour after the accident. A curious horn was recently turned

up by a plough on the farm of Peter Campbell, West Wawanosh, Huroz county. It is supposed from its size to have belonged to some distinct race of deer. One piece of it measures nearly two feet in length, has three large prongs and is nearly twelve inches in circumference.

Holloway's Pills are strongly recowmended to all persons who are much reduced in power and condition, whose stomachs are weak and whose nerves are shattered. The beneficial effects of these Pills will be perceptible after a few days' trial, though a more extended course may be required to re-establish perfect health.
