We do not think that any place of its size in Ontario can rival Woodville for enterprising merchants. An inspection of our advertising columns will forcibly demonstrate this fact. The public cannot do better than carefully peruse them and note the prices quoted by our merchants.

The Methodist Sabbath school picnic and entertainment took place in the church and grounds on Thursday afternoon last. The attendance was small but a very enjoyable afternoon was spent. The tables fairly groaned beneath the abundance of delicacies provided; they did not grow long, however, the exercise of the afternoon having given the youngsters a keen appetite for supper. A larger attendance could probably have been present but for an unfortunate oversight in failing to announce the time on the posters.
