THE Colonial Secretary has intimated that the Royal assent will be given to the Deceased Wife's Sister Bill, passed by the Dominion Parliament.

There is no more wholesome or delicious fruit on earth than the Wild Strawberry, and there is no more effectual remedy for Cholera, Dysentery, Cramps and other summer complaints of infants or adults, than Dr. Fowler's Extract of Wild Strawberry.

At the Methodist Conference in session at Woodstock, the Rev. Dr. Burns, of Hamilton, was acquitted by a large majority on each of the three points on which his orthodoxy was questioned, viz., the inspiration of the Scriptures, the atonement, and future punishment.

The well known drug firm of N. C. Polson & Co., of Kingston, writes that Dr. Fowler's Extract of Wild Strawberry has long been considered the best remedy for summer complaints in the market, and adds that their customers speak in the highest terms of its merits. Wild Strawberry is the best known remedy for Cholera Morbus, Dysentery and all Bowel Complaints.

As the Saturday evening Niagara train on the Canada Southern Railway was coming towards the Falls at the rate of 40 miles an hour one of the springs broke on the engine. The engineer whistled down brakes three times, and conductor Miles sprang to the rear end of the train to find the trouble. He was followed by a lady passenger, Mrs. Anderson, of Port Erie, who, fearing it was a collision, jumped off the train. Conductor Miles attempted to catch her, but failed, and she fell down an embankment 16 feet in height, striking on her head and shoulders. When picked up she was found to be insensible, but no external injury was apparent. It is feared she is badly hurt internally.

BAD BLOOD.—The blood is the true essence of vitality, without pure blood there can be no healthy action in the system. Boils, blotches, pimples and the various humors and blemishes of the skin are only symptomatic of bad blood—that needs purifying at its fountain head, to render its tributaries pure. Burdock Blood Bitters effectually cleanse the blood from all humors, obtains a healthy action of the liver, bowels, kidneys, skin, etc., and strengthening while it regulates and purifies.

The following is a list of C. M. ministers for Lindsay district by the Conference now in session:—Lindsay, Jno. S. Clarke; Jas. Greener, superannuated. Dunsford and Lindsay East, Robert Johnston. Onemee, Edward Barrass, M. A., D. Scott Houck; James Norris, superannuated. Oakwood, Archelaus Dorse, John W. Reid. Cannington, Samuel C. Philp, Jr., Henry S. Jenkinson. Fenelon Falls, Thos. J. Edmiston, B. B. Thos. Glover, Minden, William H. Madden, Haliburton, Edward Eyes. Cobocouk, John Power. Bobcaygeon, Wm. H. Emley. Nelligton, J. Dowler. B. A. Woodville, Francis Johnson. Beaverton, Sidney F. Dewey; Samuel Dunn, superannuated. Atherley, Thos. P. Steel, (superannuated). Victoria Road, Walter W. Lloyd. Dalrymple, Richard G. James.

RACKED BY INNUMERABLE PAINS, restless by day, sleepless at night, rising unrefreshed in the morning, without appetite, and pestered by varying and perplexing symptoms, the dyspeptic takes indeed a gloomy view of human existence. For him the zest of life seems gone. Heartburn, oppression at the pit of the stomach, and the attendant annoyances of constipation and biliousness, combine to render him utterly wretched, but there is, if he will but take advantage of it, a reliable source of relief from all this misery. **NORTHRUP & LYMAN'S VEGETABLE DISCOVERY, DYSPYPTIC CURE AND BLOOD PURIFIER** is, as its name imports, a botanic preparation, free from mineral poison, and an all-sufficient remedy for indigestion in its most obstinate form. It not only enriches the blood by enabling the digestive organs to convert the food received into nutriment, but depurates it by increasing the action of the bowels and kidneys, the natural outlets for its impurities. But while it relaxes the bowels, it never does so violently and with pain, like a drastic cathartic. It aids, but never forces, Nature, invigorating as well as purifying and regulating the system. It thoroughly removes those diseased humors which tend to vitiate the blood, purifies the urinary secretion, and promotes a flow of healthy bile into the natural channel, besides expelling it from the circulation. Experience has proved that this standard medicine is a thorough remedy for dyspepsia, biliousness, costiveness, kidney complaints, scrofula, erysipelas, salt rheum, lumbago and all impurities of the blood. Price \$1.00. Sample Bottle 10 cents. Ask for **NORTHRUP & LYMAN'S Vegetable Discovery and Dyspeptic Cure.** The wrapper bears a fac-simile of their signature. Sold by all medicine dealers.

ALARMING reports come from the surrounding country and the north townships with reference to the pea crop. The destructive animal does not seem to be the pea bug. The stalk is eaten off, seemingly under the ground, and an inspection with a microscope brings to view a small red animal similar to the clover pest. It has a savage looking head and mouth and is capable of doing the damage reported. Whole fields along the front are being devastated. There does not seem to be any cure for the pest so far.—*Vindictor.*—Have any of our readers observed the insect or its ravages in this locality.
