

**Local Matters.**

**More rain.**  
Lots of wild fruit this summer, and almost everybody goes berry picking.  
The crops are ripening fast in this neighborhood. Several parties have started cutting their Fall Wheat.  
**Wool.**—Messrs. Maybee, Mitchell & Co., packed and sold an immense quantity of wool, on Tuesday last.  
The Rev. Mr. Jewell will conduct divine service in the Methodist Church next Sabbath evening, at the usual hour.  
**Betting** on how many pounds of water a jug will hold may be good amusement but is apt to be followed by broken heads, unless great care be taken.  
If the party who took the Bridle from the "Queen's Hotel" stable, on the 1st of July, by mistake, will return it and take his own away, he will oblige.  
**Nearly Drowned.**—A number of little lads went bathing in the pond, on Monday, and one of them getting in a hole beyond his depth came near being drowned.  
"Doctor Basswood" was in town on Tuesday, vainly attempting to find his way "nors to Bexley." He turned up next morning, in a more befuddled state, and minus his coat and hat.  
The Rev. Jno. McNabb, of Beaverton, preached in the Presbyterian Church last Sabbath morning. There was no service in the evening. The Rev. D. D. McLennan, of Kirkfield, is expected to officiate next Sabbath.  
Woodville had no police court this week. There is not a J. P. in town. There was a man hunting for a magistrate, on Tuesday, but he could not find one, and so the affair was settled amicably between the parties.  
**Pic-Nic.**—The Good Templars of this village held their annual picnic in Turner's grove, near Beaverton, yesterday. Although the weather looked anything but favorable there was a large turnout and an enjoyable time.  
**Lacrosse.**—The match between the Beaverton and Uxbridge Clubs, last Saturday, resulted in a "draw," after playing for three hours. Beaverton scored one game in two hours and fifteen minutes, and time was called before the match could be concluded.  
**Personals.**—Mr. H. D. Lumsden left town, yesterday, for a visit to the Old Country. We wish him a pleasant voyage. Mr. E. R. Irish, J. P., is on a visit to Yankeeland, and Mr. W. A. Silverwood, J. P., is rusticiating in the neighborhood of Balsam Lake, for a few days.  
The Port Hope Times says:—"THE ADVOCATE has decided to give Woodville another chance, and will not be removed to Midland as intimated sometime ago. If the people of the village do not "come down handsomely" now, they don't deserve a good paper such as our lively contemporary."  
**Parcel Post.**—Persons having small articles to send by mail will be glad to know that the parcel post rates have been reduced to six cents for four ounces and under, and six cents for each additional four ounces. Parcels must not weigh more than five pounds and must be marked "By Parcel Post."  
**Change of Time.**—The T. & N. R. has issued a new time table, the only changes being that the trains from the North pass half an hour early than heretofore. The Midland has also changed time, trains going South from the Junction, at 7.45 a. m. and 3.35 p. m.; and North at 11.50 a. m. and 1.15 p. m.  
**Civic Holiday.**—Editor of THE ADVOCATE: Sir,—Would it not be desirable for our corporation "parents" to call a meeting of the villagers at an early date to take into consideration the propriety of having a Civic Holiday? An attempt was made last year, but failed, owing chiefly, I believe, to the fact that it was not taken into consideration early enough in the season.—Trusting the question will be duly ventilated in time this year, I remain, yours, &c., TAM TAMSON.

which he never afterwards arose. On Friday morning he breathed his last. He was buried on Saturday in the Eden cemetery, with Orange honors. Although but short notice was given, the funeral procession that followed the remains to the grave, was the largest ever seen in the County of Victoria, and there was scarcely a dry eye in the vast assemblage as the corpse was carried from the house, preceded by the Band playing the "Dead March." Much sympathy is felt for Mr. and Mrs. Ashman, this being the first breach that death has made in their family circle.  
**Base Ball.**—We have received a communication from Peter Ritchie, captain of the Brechin Base Ball Club, in which he states that our report of the match at Lorneville on the 1st, was erroneous; that the Lorneville club did not win the game although they used every foul means in their power to do so; even refusing to abide by the umpire's decisions; and that they used their visitors in anything but a gentlemanly manner. From what we can learn the Brechinites were not used as well as a visiting club should be, and we hope the Lorneville boys will retrieve their good name, and prove to the "Simcoe Nine" that they can beat them at a good gentlemanly game of Base Ball, by accepting their challenge:—"We the 'Simcoe Nine' hereby challenge the Lorneville Club to play a match, (American Base Ball) on suitable ground midway between Brechin and Lorneville, for from ten to one hundred dollars, subject to the following conditions, viz.: each side to have their own umpire; a respectable gentleman to act as referee; the losing side to pay all expenses connected with the game; match to be played before the expiration of the present month. This challenge to remain open eight days. Signed on behalf of the Simcoe Nine Base Ball Club, of Brechin, PETER RITCHIE, Captain." The challenge is dated July 16th, and was intended for last week's paper but was received too late.

**MARRIED.**  
At the Manse, Orillia, on the 12th July, by the Rev. John Gray, M. A., Wm. Robert Irwin, of Carleton, to Martha Wonnemaker of the same township.  
**DIED.**

INVALIDS, do you wish to gather flesh, to acquire an appetite, to enjoy a regular habit of body, to obtain refreshing sleep, to feel and know that every fibre and tissue of your system is being braced and renovated? If so, commence at once and use the Quinine Wine prepared by Northrop & Lyman, of Toronto, and in a short time you will feel the whole system invigorated and strengthened. It is a well-known fact that Quinine has been acknowledged by the medical faculty for many years as the best appetizer and tonic known. And for general debility this combination will be found superior to all other preparations. And combined as it is with fine sherry wine and choice aromatics, it is made an agreeable and pleasant invigorator to the whole system. The properties of Quinine are a febrifuge tonic and antiperiodic. Small doses, frequently repeated, strengthen the pulse, increase muscular force, and invigorate the tone of the nervous system. The peculiar operation of this medicine in general debility and as an appetizer, has undergone long and close observation, and it is believed it will never fail, if properly and judiciously administered, unless other diseases predominate of a different character. Persons of weak constitution may take it without the least difficulty, as it strengthens the stomach and digestive organs, and seldom require more than one, or two bottles to effect a decided benefit as it contains nothing injurious to the most delicate constitution. Remember to ask for the "Quinine Wine prepared by Northrop & Lyman, Toronto," and we are sure you will be satisfied that you have full value for your money. Sold by all Medicine Dealers.

**Obituary.**—Again are we called upon to record the death of a much-lamented friend and brother, through the demise of Mr. Wm. John Ashman, eldest son of Wm. Ashman, Esq., Deputy-Reeve of Eldon. **BY-LAW No. 24Q**  
A BY-LAW TO PROVIDE FOR THE DRAINING OF CERTAIN LANDS IN THE TOWNSHIPS OF MARIPOSA AND ELDON, AND FOR BORROWING ON THE CREDIT OF THE MUNICIPALITY OF MARIPOSA THE SUM OF \$1998.58 FOR COMPLETING THE SAME.  
Provisionally adopted the Seventh day of July, A. D. 1879.

WHEREAS, a majority in number of the owners, as shown by the last Revised Assessment Rolls, of the property hereinafter set forth to be benefitted by the drainage of said lands, have petitioned the Council of the said Township of Mariposa praying that said Council would take the necessary steps to drain certain lands, embracing part of Lots Nos. 10, 11, 12, 13 and 14, in the 15th Concession of Mariposa, and Lot No. 1 in the 5th Concession, and Lot No. 1 in the 6th Concession of Eldon, and for procuring the necessary funds therefor in accordance with the provisions of the Municipal Act, Cap. 174, of the Revised Statutes of Ontario, in order that certain lands situate in the Townships of Mariposa and Eldon may be improved by said work.  
AND WHEREAS, thereupon, the said Council procured an examination to be made by James Dickson, Esquire, Provincial Land Surveyor, being a person competent for such purpose, of the said locality proposed to be drained, and has also procured Plans and Estimates of the work to be made by the said James Dickson and an assessment to be made by him of the real property to be benefitted by such drainage, stating as nearly as he can the proportion of benefit which in his opinion will be derived in consequence of such drainage by every road and lot or portion of lot; the said assessment so made and the report of the said James Dickson in respect thereof and of said drainage being as follows:—

"I certify that I have made a survey of and located the proposed drains and also made a survey of the lands to be benefitted thereby, and have also made an estimate of the cost of construction and incidental expenses connected therewith, as follows, viz.:
