THERE is a great scarcity of water in the village, the wells being nearly all dry. The digging of a public well should now receive attention.

Go to Gunn Bros. for best value in Teas.

MERCHANTS are now introducing their fall and winter stocks, which are much larger than last year, owing to the brighter outlook for business during the coming seasons.

A large assortment of Fans at Gunn Bros.

A RATHER embarrassing accident happened last Sabbath morning to some ladies driving a covered rig home from church. When opposite the Drug Store the reach of the buggy broke, spilling its occupants on the road. Fortunately the horse was quiet and stood still, or the consequences might have been more serious.

A large quantity of Liverpool (especially for butter use) and Barrel Salt at McIntyre & Priors.

THE sidewalk fronting the residence of Dr. Clark is in an extremely dangerous condition. Broken and loosened boards are by no means pleasant to walk on and on dark nights are very fruitful of accidents. We would suggest if the old one cannot be repaired, to have it removed altogether until a new one can be provided for.

We are showing the cheapest and best Stock of Boots & Shoes in town, and as our Stock must be cleared out to make room for fall importation we are offering special inducements. Read our advertisement in another column. The prices cannot be beaten McIntyre & Prior.

If you want a Suit to order or Ready Made, go to Wilson's.

For extra value in Green and Japan Teas, go to McIntyre & Priors.

Manufacturers of Reapers Mowers and Threshing Machines prefer "Castorine" Why do our merchants not favor us with a supply of the various early fruits. All neighboring villages have been enjoying peaches, pears, apples, tomatoes, &c., for the last six weeks, but none have yet been seen in Woodville. We do not see why there should not be as good a market for them here as elsewhere. Rub up your enterprise, gents.

Now is the time to buy your Boots & Shoes. All are invited to inspect McIntyre & Prior's Large Stock.

FROM a conversation the other day with Mr. Lumsden, the chief engineer, the Lindsay Post understands that the Quebec and Ontario Railway will proceed in a line as direct as possible from Toronto to Ottawa. It will probably pass a short distance north of Whitty, crossing the Midland south of Bethany, thence to Peterboro and on by a line as straight as can be got to Perth and Carleton Place, where it joins the Canada Central. Mr. Lumsden is now with a large staff making the final survey, and locating the line from Perth westward. The road is to be finished within two years and is to be built in a first-class manner throughout.

McIntyre & Prior are selling off their Boots & Shoes at a great reduction. See adv. in another column.

THE Directors of the Mariposa Agricultural Society have decided to hold their annual fall exhibition on Wednesday and Thursday, Oct. 12th and 13th next. The membership of the Society is in advance of any previous year and no pains will be spared to make the show of 1881 a success. In addition to the usual prizes offered by the Society—which compares very favorably with any township list in the Province—special prizes will be offered by gentlemen not residing in the township. The Directors have already received notice from Messrs. Whiteman Bros. of Port Perry for a prize on busten, and from Messrs. Reid & McPhail of a volume of Dr. Manning's Stock Doctor and Encyclopedia as a prize for the fastest walking horse.—Com.

McIntyre & Prior have a large stock of Boots & Shoes which must be sold to make room for their fall stock. Come and secure Bargains.

On the 17th inst., at 1st 17, Con 15, Mariposa, Mary Lovett, aged 26 years.
