

District Gleanings.

A couple of citizens of Meaford have decided to build a new passenger steamer at a cost of about \$15,000. It will be ready for the season of 1889. The route it will take has not yet been decided on.

The visitors to Niagara Falls are quite as numerous as in former years, and are made up chiefly of bridal parties and titled foreigners.

An important invention in railway practice is the method invented by a Baltimore electrician for welding steel rails by electricity, which will enable track layers to lay a continuous track. The ends of the rails, after they are placed in the track, are welded together through the application of a transformed electric current, and are afterwards tempered so as to make the joint as hard as the rest of the rail.

The water in Bowmanville harbor is so low that the corporation is having a ship channel dredged.

An electric railway between Midland and Penetanguishene is the next scheme of great interest to these communities.

Bowmanville is agitating for a system of water works.

It is proposed to build an elevated railway at Collingwood, through the town to the Georgian Bay park.

August 15th is the Civic Holiday in Cannington and the several Sabbath schools have arranged for an excursion to Sturgeon Point.

Cannington Band has ordered a full set of silver-plated instruments at a cost of over \$600.

H. S. Howland, President of the Imperial bank and owner of the Kleinburg mills was in Schomberg on Friday. It is reported he was looking after a site to build an elevator on the new line of the C. P. R. there.—"Beeton World."

The Guelph "Mercury" tells of a farmer in Erin township who has a calf with three ears on its head and a horn in the middle of its back. The calf is as lively and healthy as any on the farm.

Thomas Knight and William Folkes, of Watt township, were fined the other day for setting out fire on an Island in Lake Rosseau and cautioned against doing so again.

Lindsay Young Britons and True Blues celebrate the relief of Derry, the 18th of August, by a grand procession.

The Caledonian games by the Toronto Sons of Scotland will be held as Whitty on the 13th. They will likely be at Beaverton next year.

A most deplorable accident occurred at Cobourg on Monday morning of last week. A young man named Coombes, employed in the matting factory, while working with a belt was caught, whirled around the shaft and instantly killed.

The Stouffville "Tribune" says a young man of King Township some days ago asked his best girl to go on an excursion with him to the Falls. The request was granted and every preparation made for the trip. On arriving at the station on the day of the trip his lady love was there but in the company of a rival. This so exasperated the jilted one that he went home and took a dose of poison, from the effects of which he is not likely to recover.

The Central Bank liquidators are busy suing debtors and collecting money. At present there is about \$330,000 on hand. About \$11,000 of the circulation is yet to be redeemed. The next dividend of 33 1/2 per cent. will be paid in October.

The charge brought by Patrick Burk, of the 3rd Con. of Pickering, against his mother and sister, for attempting to poison his wife, has been dismissed.

Mr. H. Gordon, of Port Perry has given notice to the town council that he intends entering suit against the corporation for \$5,000 damage, owing to the drowning of his son in a town tank.

The Rev. W. H. Laird, formerly of Oshawa, now of Hamilton, is enjoying his vacation, with his family on Tondern Island, in Lake Muskoka. On Friday as the Rev. gentleman was rowing over to Keewatin Island, about a mile distant, he was instrumental in rescuing from drowning a lady and her child who had fallen into twenty feet of water.
