The hottest day of the season was Tuesday last, the thermometer reaching 98° in the shade.

A house and barn belonging to Mr. A. McAlpine and occupied by Mr. O'Connors situated a short distance north of Lorneville, was entirely destroyed by fire on Monday night last.

Manufacturers of Reapers Mowers and Threshing Machines prefer "Castorina."

The plumbthieves are at work in the village, and not content with robbing the trees of their fruit, the depredators wantonly destroyed the branches. Mr. J. C. Gilchrist complains that a number of fruit trees in his garden have been ruined by the branches being broken.

McIntyre & Prior have a large stock of Boots & Shoes which must be sold to make room for their fall stock. Come and secure Bargains.

The large bills lately posted in this village by the Singer Sewing Machine Co., have nearly all been torn down. It would be well for maliciously inclined parties to remember that they may be severely punished for so doing.

The coolest thing we have yet heard of was perpetrated last Saturday. A team and waggon filled with women and children was seen by Mr. Wm. Smith to drive up to Mr. Jas. Stuart's orchard, on 4th Concession and enter. No notice was taken of the occurrence until Monday last when Mr. Stuart on going to the orchard for fruit found it completely stripped. This is the most consummate cheek we have ever met.

We do not thank our Glenarm correspondent of last week for his communication. We have been given to understand that no truth exists in it. We in common with all newspapers are in a measure at the mercy of our correspondents, and of course being so far from the source cannot vouch for the authenticity of news. However we wish it plainly understood that we will not hesitate to expose any further attempts at untruthful sensationalism.

Now is the time to buy your Boots & Shoes. All are invited to inspect McIntyre & Prior's Large Stock.
