BEAVERTON

Hardware and Stove Emporium.

Established in 1878 by JAS. CAMERON.

Special Fall and Winter Circular.

I have the pleasure of again coming before the public as the manager and proprietor of the above named establishment. And I take this opportunity of cordially thanking my many friends and customers for the liberal patronage bestowed on the business since I commenced in 1878 and especially during the past 5 years under the partnership of the late firm of Cameron & Westcott, and also to ask for a continuance of their patronage which I shall endeavour to merit by purchasing the best class of goods in the lowest markets and selling at reasonable prices as well as by strict attention to the public in the Hardware and Stove Trade.

Stoves! Stoves! Stoves!

I have this season made the most extensive purchase in the Stove Line ever made for Beaverton. I have no hesitation in stating that my display of

COOKING, PARLOR AND HEATING STOVES!

Is now without doubt the most extensive, complete, beautiful and best finished lot of Stoves shown by any one establishment in the stove line north of Toronto. The stove selection is made from the well known and justly celebrated manufacturers of E. & C. GURNEY & Co., Hamilton. E. & C. GURNEY & Co., Toronto. DENNIS MOORE & Co., Hamilton. JAMES STEWART & Co., Hamilton, and WM. BUCK, Brantford.

I have now in stock the following leading Cooking Stoves viz:—Gurney's Wood Cook, (3 sizes.) Gurney's "North-West," (5 sizes.) Gurney's New Manitoba and Gurney's "Granger," D. Moore's, "Britannia," (4 sizes.) "Crowning Glory" and "The Highlander," as well as many other well known and nice pattern of Cook Stoves. I have in addition to a large line of BOX STOVES the following HEATING STOVES viz: Back's "Challenge" Heater, Gurney's "Dominion" Heater, Moore's "Forest King" also a few coal stoves among which are the "New Jewel," a fine heating coal stove, also several smaller sizes in coal stoves suitable for heating small rooms.

And now as to prices.—The unanimous verdict of the people has been in the past and shall be in the future that J. Cameron has surpassed all competitors in the stove line, and this Fall and Winter there will be no exception. As I lead in quantity and quality I am therefore determined not to be undersold by any, and will give the lowest prices where quality, finish and durability are taken into consideration. REPAIRS FURNISHED FOR ANY STOVE PURCHASED FROM ME DURING THE PAST 15 YEARS.

A WORD ABOUT COAL OIL, LAMPS, Chandeliers, Lanterns &c.

I am now selling the best Canadian Coal Oil, the "Silver Star" Brand, at 20cts. per Imperial gallon in 3 or 4 gallon lots and American "Headlight" at 30cts. LAMPS, LAMP GOODS, CHANDELIERS and TUBULAR LANTERNS in great variety and at LOW PRICES.

I have a full line of

SHELF and Heavy Hardware, Oils, Paints &c., in Stock!

And have to say that I am prepared with low prices for cash to all who may favor me with a call.
