Drouth.

For Years there has not been such a scarcity of water as at present exists. All the wells in town are dry and should a fire occur here just now no effort could be made to resist it in this direction.

Full Stock of New Fall Goods. Dress Goods, Winceys, Flannels, Tweeds, Meltons, Ulsterings, Velvets, Plushes, Fancy Dress Trimmings, &c., at J. R. Prior's, Woodville.

Removed to Thorah.

Mr. A. Gunn made his final departure from our village on Friday last having moved his household effects to the farm near Beaverton. We understand he intends practicing his profession in Beaverton.

Swamp Fire.

A tremendous fire has been raging in Mr. Jas. Clarke's swamp since Tuesday last. The strong wind fanned it to a terrific blaze on Wednesday and a number of fences were destroyed it was feared that the fire would even extend to the buildings of Messrs. Clarke and Annis whose places were directly in the line of fire. The wind died away during the night, however.

Ladies.

We kindly invite you to inspect our large and fashionable stock of Dress Goods.—Gentlemen, we will with pleasure show you our fine stock of new Tweeds, Pantings, Overcoatings, Worsteds, &c. J. R. Prior, Woodville.

Change of Date.

It will be seen by reference to the minutes of the Agricultural Society to be found in another place that the date of Eldon Agricultural Society's Fall Show has been changed from the 7th of October to the 11th. The change was caused by other shows occurring on the former date.

The Circus.

The visit of Barnum to Lindsay on Wednesday last drew most of our youngsters to that burgh.

Passed Away.

The well known character known as "Laverty," a poor unfortunate who was affected with a species of insanity, died on Friday last at the residence of Mr. Andrew Calder, 2nd concession of Eldon. The cause of his death it is said was from the throwing of a stone by some boys, which striking the old man on the wrist resulted in erysipelas and finally death. The remains were interred in Eden cemetery on Sunday last.

A Bear.

On Sunday morning our usually quiet village was thrown into a state of excitement. About the hour for church service somebody brought in a report that a large black bear had been seen entering Mr. Irish's bush past of the village. In a few minutes an armed force was organized and with the assistance of a reinforcement from the country and many dogs scoured the whole neighborhood yet found no bear. They attribute their failure to lack of organization.

For The Fair.

Mr. John Campbell, jr. has to-day (Tuesday) started for Toronto with a carload of sheep.

Bush Fires.

During the week bush fires have been raging, badly running in the stubble, while thousands of raiifers have been burned. Among the sufferers are: Messrs. J. F. Clark, D. McDougall, Norman McLeod and D. Grant.
