The camp meeting is now an event of the past and may be numbered among the most successful affairs ever held in Beaverton. Great credit is due the Rev. Mr. McKee and his co-workers in the village for the energetic manner in which they carried out the various arrangements. Every service was well attended and the evening discourses were particularly interesting. A great many from a distance availed themselves of the opportunity of visiting the village and all expressed themselves delighted with its beautiful surroundings and position. With the co-operation of the various religious bodies of the village this event might be made the beginning of an annual gathering which would do a vast amount of good.

## OUR NEIGHBORS.

### BRECHIN.

**NEW METHODIST CHURCH.**—Mr. Gordon and his company are doing excellent work. The frame apparently is very substantial and is at such a stage of development that our enquiring minds are partially satisfied in regard to its appearance. The construction and plan being different to anything in this part of the country, we are anxiously looking forward to its completion. It is to be in readiness for the bricklayers next Monday.

**CONCERT.**—The interest awakened from Mr. McKay's efforts in connection with a concert is still increasing. It is now in such a condition that we may safely conclude that in this line it will surpass anything ever announced in Brechin. Taking into consideration the object, everyone seems entirely in sympathy with its progress. A comedy company from a distance has been secured. They consider themselves amply qualified to render all necessary farces, and songs of a negro character to entertain for the evening. These are to be of a sportive, laughable and ludicrous type, offensive to none. Popular amateurs in the line of solo rendering, have been engaged notwithstanding the capacity of Brechin talent in this direction. To this may be added instrumental music from organ, violins, &c. We hope that many will avail themselves of this excellent opportunity and enjoy the evening with us in D. M. Smith's Hall on the evening of Sept. 12th. We only wonder that seeing the expense of securing so much foreign talent, Mr. McKay has placed the figures so low. Bills may be seen at Beaverton, Gambridge, Brechin and Uptergrove.

 When she was a Child, she cried for Castoria,

Midland's salt well scheme has fallen through.

A dreadful boating accident occurred at Port Hope lately. Miss Lillian Holland, daughter of R. H. Holland, police magistrate, was drowned while boating with Mr. Robertson, the American consul. The canoe capsized east of the harbor. Miss Holland's body was not recovered. Mr. Robertson was rescued when just exhausted. The young lady was highly respected. Efforts are being made to recover the body, but as yet have been unsuccessful.
