

BEAVERTON.

(From our own Correspondent.)

A foot race was run here, on the 25th ult., between E. Armstrong, of Beaverton, and T. Fogg, of Uxbridge, a distance of 125 yards, for \$20 a side. Betting was lively, Fogg being favorite at two to one. The latter took the lead at the start and kept it throughout, winning by about a yard. PERSONAL.—Rev. James Brooks, Weston, says:—"I have found nothing to give me more permanent relief for shortness of breath or asthma, than HAGYARD'S PECTORAL BALM, and can with confidence recommend it to all requiring a good medicine for coughs and colds, and diseases of the throat and lungs. For sale by all dealers 25 cents per bott. e. Mi Barn, Bentley & Pearson, Toronto.

It is no exaggeration to say that health is a large ingredient in what the world calls talent. A man without it may be a giant in intellect, but his deeds will be the deeds of a dwarf. A weak mind in a sound frame is much better than a giant mind in a crazy constitution. Professional and business men, who are continually thinking, and whose habits are sedentary, should use VICTORIA PYROPHOSPHITES, the great brain and nerve remedy.

INVALIDS, do you wish to gather strength, to acquire an appetite, to enjoy a regular habit of body, to obtain refreshing sleep, and feel and know that every fibre and tissue of your system is being braced and renovated? If so, commence at once and use the Quinine Wine prepared by Northrop & Lynn, of Toronto, and in a short time you will feel the whole system invigorated and strengthened. It is a well-known fact that Quinine has been acknowledged by the medical faculty for many years as the best appetizer and tonic known. And for general debility this combination will be found superior to all other preparations. And combine as it is with fine sherry wine and choice aromatics, it is made an agreeable and pleasant mitigator to the whole system. The properties of Quinine are a tonic and antiseptic, and invigorate the tone of the nervous system. The peculiar operation of this medicine in general debility and as an appetizer, has undergone long and close observation, and it is believed it will never fail, if properly and judiciously administered, unless other diseases predominate of a different character. Persons of weak constitution may take it without the least difficulty, as it strengthens the stomach and digestive organs, and seldom require more than one, or two bottles to effect a decided benefit as it contains nothing injurious to the most delicate constitution. Remember to ask for the "Quinine Wine prepared by Northrop & Lynn, Toronto," and we are sure you will be satisfied that you have full value for your money. Sold by all Medicinal Dealers.
