

DOES IT PAY TO HIRE CHEAP SCHOOL TEACHERS.

A man tries to be a farmer and fails; tries to be a mechanic and fails; tries to be a lawyer and fails; tries to be a minister and is not even good enough for that; but one thing he can do—he can be a school-master. And you will find throughout the country that schoolmasters are selected because they are cheap. You can get him for \$10 a month and. Shame on the parsimony that would take a cent from the pay of the men or women employed as teachers. If there is any profession which should be made absolutely independent of all care as to the means of living it is that. I do not undervalue my own, but I think that a schoolmaster stands nearer God than a Minister can. For myself, I hated the school, I hated it in my mind, I hated it in my body, I hated it in my affections. I had no religious nature, I could not hate it in that. I hated school, and yet there came a summer in old Litchfield when in spite of tears and protestations was sent out of the house to school, and I found a school ma'am comely though with a very pale face, and young—not over eighteen—who met me at the door and patted me on the head, and played with my curly hair and she sat me down at her feet and made me happy. She was taken sick and died, but while she taught was the only pleasant time I had in school. There is no economy so penurious, so wrong so intolerable as that which cuts down the pay of the teachers, and doubly because they with whom they have to do are only children? Only children! Who's children? Your children, my children, God's children, the sweetest blossoms in the garden of the world, for whom angels may be glad to do service. If they are neglected you are to blame, for if you cared enough about it, it would never happen.—Henry Ward Beecher.

PERSONAL.—Rev. James Brooks, Weston, says:—"I have found nothing to give me more permanent relief for shortness of breath or asthma, than HAYWARD'S PECTORAL BALM, and can with confidence recommend it to all requiring a good medicine for coughs and colds, and diseases of the throat and lungs. For sale by all dealers 25 cents per bottle. Milburn, Bentley & Pearson, Toronto.

A dealer in Ingersoll who had a large stock of cheese on hand, and bought quite a quantity on the day when the announcement of the big rise in Liverpool was made, cleared between \$15,000 and \$20,000 in one day.

It is no exaggeration to say that health is a large ingredient in what the world calls talent. A man without it may be a giant in intellect, but his deeds will be the deeds of a dwarf. A weak mind in a sound frame is much better than a giant mind in a crazy constitution. Professional and business men, who are continually thinking, and whose habits are sedentary, should use VICTORIA HYPOPHOSPHITES, the great brain and nerve remedy.

WHAT THEY SAY OF IT! A FEW FACTS FOR THE PEOPLE.—There are but few preparations of medicines which have withstood the impartial judgement of the people for any great length of time. One of these is Dr. Thomas' Electric Oil. Read the following and be convinced:—Thomas Robinson, Farnham Centre, P. Q., writes, "I have been afflicted with rheumatism for the last ten years, and have tried many remedies without any relief, until I tried Dr. Thomas' Electric Oil and since then have had no attack of it. I would recommend it to all."—J. H. Earl, Hotel Keeper West Shefford, P. Q., writes, "I have been troubled with liver complaint for several years, and have tried different medicines with little or no benefit, until I tried Dr. Thomas' Electric Oil, which gave me immediate relief, and I would say that I have used it since with the best effect. No one should be without it. I have tried it on my horses in case of cuts, wounds, etc., and think it is equally as good for horse as for man."—A. Maybee, Merchant, Warkworth, writes, "I have sold some hundreds of bottles of Electric Oil, and it is pronounced by the public, 'one of the best medicines they have ever used; it has done wonders in healing and relieving pain, sore throats, etc. and is worthy of the greatest confidence.'"—Joseph Rusan, Township Percy, writes, "I was persuaded to try Dr. Thomas' Electric Oil for a lame knee which troubled me for three or four years, and I never found anything like it for curing lameness. It is a great public benefit."
BEWARE OF IMITATIONS.—Ask for Dr. Thomas' Electric Oil. See that the signature of S. N. Thomas is on the wrapper, and the names of Northrop & Lyman are blown in the bottle, and Take no other. Sold by all medicine dealers. Price 25 cents. NORTHROP & LYMAN, Toronto, Ont., Proprietors for the Dominion.
