THE SADDEST OF SAD SIGHTS—the grey hairs of age being brought with sorrow to the grave is now we are glad to think becoming rarer every year as the use of Cingalese Hair Restorer become more general. By its use the scanty locks of age once more resume their former color and the hair becomes thick and luxuriant as ever; with its aid we can now defy the change of years, resting assured that no Grey Hair at any rate will come to sadden. Sold by all druggists at 50 cents per bottle.

FARMERS READ THIS.

HONEY'S IMPROVED FANNING MILL.
We desire to call the attention of the farming community to the above well known Fanning Mill, now being manufactured at our works. We are prepared to give
A WRITTEN GUARANTEE THAT OUR MILL IS ALL THAT IS CLAIMED FOR IT.
It is a perfect cleaner, and chaffer. It will take out Wild Oats perfectly. It will take out all Cockle, Chess and other foul seeds, making a perfect sample of Market Wheat. It is a most perfect separator, and will separate all the large kernels from the small and shrunken grains. It is very rapid in its action. It separates all kinds of grain as well as seeds, and if Oats and Peas, or Timothy and Clover seed are mixed together and put through this Mill, they will come out perfectly separated. It will separate small and split Peas from large Peas, taking them from the chaff in the most perfect manner. The Honey Improved Fanning Mill and Separator, is acknowledged by all to be
The Best Mill Manufactured In The Dominion.
And in proof of this strong statement, we can furnish abundant testimonials from those having them in use. To intended purchasers we would say, come and see it for yourselves, and, we feel confident you will be entirely satisfied that they are all they are represented.
