A MYSTERIOUS fire occurred in town on Tuesday evening last. About seven o'clock a bright and unusual light was noticed issuing from a window in the upper storey of M. Leo's Bakery, occupied by Mr. John Sanders. On investigation it was discovered that a lady's dress hanging on the wall had by some unaccountable means become ignited, and was burning briskly. Assistance was promptly to hand, and the flames extinguished with but little danger. As the room had not been entered for some time the cause of the fire is a profound mystery.

Mr. Stoddart has been peculiarly unfortunate of late, it being but a short time since three of his fingers were severed by a circular saw.

We desire to call the attention of the farming community to the above well known Fanning Mill, now being manufactured at our works. We are prepared to give

A WRITTEN GUARANTEE THAT OUR MILL IS ALL THAT IS CLAIMED FOR IT.

It is a perfect cleaner, and chaffer. It will take out Wild Oats perfectly. It will take out all chaff, chaff and other foul seeds, making a perfect sample of Market Wheat. It is a most perfect separator, and will separate all the large kernels from the small and shrunken grains. It is very rapid in its action. It separates all kinds of grain as well as seeds, and if Oats and Peas, or Timothy and Clover seed are mixed together and put through this Mill, they will come out perfectly separated. It will separate small and split Peas from large Peas, taking them from the chaff in the most perfect manner. The Honey Improved Fanning Mill and Separator, is acknowledged by all to be

The Best Mill Manufactured In The Dominion.

And in proof of this strong statement, we can furnish abundant testimonials from those having them in use. To intended purchasers we would say, come and see it for yourselves, and, we feel confident you will be entirely satisfied that they are all they are represented.
