Beaverton Local News.

FRIDAY, OCTOBER 7, 1887.

**Personal.**

Mrs. Hugh Murray of Winnipeg, is visiting friends in this locality just now.

**Look Here.**

At the Beaverton Woolen Mills the best value in white and grey blankets ever offered in Beaverton. Also all kinds of flannel tweeds, yarns &c at bottom prices. Come and see them.—C. T. Young.

**A Serious Loss.**

Mr. John Gordon advertises the loss of 43 or 45 dollars which he claims must either have dropped or been taken from his pocket. The loss of such a sum is a serious one and we hope it may soon be recovered.

**Highest Price**

In Cash for any quantity of potatoes, at R. Dunsheath's Beaverton.

**Found.**

Immediately on the appearance of the EXPRESS last week the owner of the shawl advertised was discovered. This week we have another which was found opposite the R. C. church last week. If the owner will call at this office and identify property it may be recovered.

**Crockery and Glassware.**

Oceans of Crockery and Glassware newest designs, just opened out at Hodgson's big bargain house, and at prices that will astonish you.

**Artificial Teeth.**

W. H. Gross, dentist, Lindsay, is making best sets of teeth, upper or under till Jan. 1st 1888 for \$11.50 worth \$18. Cheaper grades in proportion. Call on Mr. Gross at once and secure a set of the best at a low figure. Vitalized air and gas free for extracting.

**Mara Fall Show.**

The Mara Fall Show was held at Brechin yesterday and was largely attended considering the weather. Quite a number of our villagers were there.

**Lost**

Lost on or about the 12th of Sept the lower part of a tortoise shell earring inlaid with gold. The finder will oblige by returning to C. A. Paterson, Beaverton.

**After Next Week**

Mr. W. Madill enters the Photographic Union and the price of Cabinet Photos will consequently be advanced. Until Saturday the 15th he will execute all orders for Cabinet Photos at \$2.50. Sunbeam Photos a specialty, \$1.00 per dozen.

**Meats.**

All kinds of salt and smoked Meats at R. Dunsheath's, Beaverton.

**Opening.**

Mr. D. M. Smith has opened out in the fine new store, fitted up and known as O'Neil's corner at Brechin. "Dave" now rejoices in the largest and best store in our sister village and will no doubt do a largely increased business, thereby.

**Cheap and Stylish Millinery.**

Go to Harrison & Leslie's for the most stylish Millinery and Dress Goods.

**Visiting.**

The Rev. A. C. Wilson of Oakwood, preached from the pulpit of the Methodist church last Sabbath. The Rev. gentleman's many friends here were pleased to have him among them once more.

**The Best Yet.**

A teapot and 10 lbs of tea for \$1.00, at R. Dunsheath's Beaverton.

**Not Moving.**

Our grain buyers are complaining of the slow movement of grain in this section. While other places report immense shipment of barley, etc. comparatively little has been received here as yet.

**The Band**

Have recently received a supply of new music preparatory to a concert which it is proposed to hold shortly to assist in paying for their new uniforms. Many of our citizens have not as yet contributed to the band fund, and we would suggest the present as being an excellent time to remember the "boys." Subscriptions left with the secretary-treasurer, Mr. L. J. Cameron, will be gratefully acknowledged.

**Cool Burgess.**

The renowned "Cool Burgess" is billed to "do" Hamilton to-night, in the Alexandria Hall.

**All**

Kinds of Firewood for sale and delivered to any part of the village—P. McMillan & Sons, Beaverton.

**St. Paul's Episcopal Church.**

The Rev. Mr. Symonds, of Trinity College, Toronto, officiated in St. Paul's church on Sabbath last, and preached two eloquent sermons to good congregations. We understand an effort is to be made to have a clergyman appointed to the church at an early day.

**Balls.**

Base Balls, Foot Balls, Lacrosse Sticks, etc. at Jno. McKinnon's, Beaverton.

**Too Much Pay.**

The Beaverton correspondent to the Orillia "Times" in referring to the recent Thorah Fall show remarks: The Fall Show here was not as well attended as expected. The reason assigned was the admission fee which was enormous viz: —15 cents Tuesday evening and 25 cents on Wednesday. The show itself was up to the average.—"Can it be possible that the cause given by this correspondent as the reason that a larger attendance was not present at the Show be true? Is it true, that the people of this township and village are so shortsighted and mean as to refuse a quarter to visit their township show when the money all goes back into their own pockets again? Why, a dog fight or a negro minstrel show cannot be witnessed for less than this fee and who will say that the Fall show is not a superior attraction to either of these. It cannot be, and we are only surprised that the Directorate did not fix the admission at this price years ago.

**Farmers.**

Cash for Butter, Eggs, Potatoes and any kind of Farm Produce at R. Dunsheath's, Beaverton.

**Good for the Brickmaker.**

'Tis an ill wind that blows nobody good and the great fire at Gravenhurst which occurred a short time ago is no exception to this. The yards here have been cleared of all their stock of nearly a million brick to assist in the rebuilding of that town.

**Wall Papers.**

The Latest in English and American Wall Papers. Choice patterns and at all prices, Jno. McKinnon, Beaverton.

**At Last.**

The rain which had kept off for so long a time came on Friday last. The week since has been wet and dreary. However, the rain was badly needed and the farmer can now proceed with his fall plowing as usual.

**5,000 Dozen Eggs Wanted**

For which the Highest Price will be paid in Cash, at R. Dunsheath's, Beaverton.

**A Centenarian.**

On Tuesday morning last the remains of an old man named Thomas Smith, from the north end of Mara, passed through here on the way to their last resting place in the township of Scott. The deceased was 101 years, 7 months and 7 days of age at the time of his death and possessed the full use of his mental faculties even at this advanced age.

**Salt! Salt!**

1 car load salt at 85cts. per barrel at D. McLachlan's, Woodville.

**Chicken Thieves.**

Sad havoc has been made in some of the hen roosts of the village by the visit of chicken thieves. In one case the house of Mr. Jno. Wilson was visited and no less than thirty-six of the choicest birds were taken. The thief is evidently one with a keen eye to business, for only the young birds disappeared, the aged ones being left severely alone. We also learn that Mr. Geo. Grant lost a number of fine ducks in the same mysterious way.

**Try D. McLachlan's**

For groceries, crockery, and glassware also provisions. His low prices will surprise you.

**Amendments.**

We would call the attention of intending exhibitors to the several changes made since our last in the prize list of the Eldon Agricultural Society which will be found in another column. The list should be carefully read so that no misunderstanding may ensue.
