THE  
GREAT  
\$  
NEWS-  
PAPER.

It is nearly eight years since THE MAIL was established  
and during that time it has gradually acquired circulation and  
influence, which renders it second to no other newspaper in the  
Dominion. The publisher takes pleasure in announcing that  
THE WEEKLY MAIL has met with a very large measure of  
success in the year just closed, and that notwithstanding the  
general depression in business and the consequent falling off in  
the circulation of almost every other paper in Canada, THE  
MAIL both DAILY and WEEKLY, has made a very great  
advance.

Special Editors have been engaged for the various departments  
and no expense will be spared to make the whole paper INTER-  
ESTING AND RELIABLE.

THE MAIL will remain true to the principles it has always  
advocated, and it is intended to make it, by the aid of such  
additional strength as ample capital can afford, even a more  
potent champion of the Conservative cause. All the old Depart-  
ments of

**Telegraphic News, Political and Editorials**

Will be continued with unabated vigor

During 1880 the following Departments will receive special  
attention:—AGRICULTURE in its various branches. Special  
prominence being given to correspondence from farmers on  
Agricultural Subjects. Illustrations will be used whenever they  
will make the subject clearer or in any way increase the practical  
value of the letter-press.

OUR MARKET REPORTS will be a specialty; we will use  
every means to secure complete reliability. The market Re-  
ports of THE MAIL are noted as the most reliable in Canada.

OUR LITERARY DEPARTMENT will be the leading fea-  
ture. Stories both short and continued from the pens of the  
best authors, and in many cases illustrated.

THE LADIES' DEPARTMENT, under the charge of Ladies  
of experience, will have no doubt, prove an interesting and  
valuable feature. Fashions, Household: Culinary Matters, the  
care of Children will be included in this Department.

HEALTH IN THE HOUSEHOLD, under charge of an able  
medical man, will add to the value of THE WEEKLY MAIL.

**THE CANADIAN FARM ANNUAL FOR 1880,**  
ILLUSTRATED WITH 104 ENGRAVINGS,

Containing valuable information and practical suggestions for the Canadian Farmer, will  
be presented to every yearly subscriber to THE WEEKLY MAIL.
