Donations.—The members wish to tender their thanks to Messrs. J. C. Gilchrist and A. Adams for contributions to the Band Fund.

See! They are selling good Brown Holland at the "Regulator" for 6cts. per yard.

Those corporation hogs are performing splendid work on our roadsides. They give the street quite a dignified appearance and the holes dug by them are extremely ornamental.

We are pleased to see our villagers taking such an interest in the Band. They need a helping hand just now as they are much in need of funds for new music and other necessities.

Get a pair of those celebrated "Spoon Bunk" Cossets at the "Regulator."

Accident.—Mr. Arch. Stuart met with an accident on Tuesday morning last which will keep him from work for a time. While going up the street in pursuit of a horse he stepped on the side of a rut, turning his foot and spraining his ankle.

Orange Supper.—Immediately after the close of Lodge on November 5th, the members proceeded to the Northern Hotel, where an oyster supper was served up. About twenty sat down to the supper and a very pleasant time was enjoyed.

If you want to get a good Overcoat go to the "Regulator" for it, because you can buy it cheaper and get better satisfaction than at any other place.

The Woodville Advocate remarks "Cuirreath eile do'n a Gaidheil. We are pleased that our contemporary has succeeded in making this fact plain, and we give our readers the benefit of it.—Guide. We are glad our contemporary deciphered the quotation as now he will be able to inform us what it means.

They were talking about the weight of different individuals in a certain family, and the daughter's young man, who was present, spoke up before he thought, and said: "I tell you that Jenny ain't so very light, either, although she looks so." And then he looked suddenly conscious and blushed, and Jenny became absorbed in studying a chromo on the wall.

Wm. Henry has just received another lot of new Goods, consisting of Ladies' and Gents' Flannel Lined Kid Gloves, Clouds, Shawls, Felt Skirts, Flannels, &c., at the "Regulator."

Annual Meeting.—The annual meeting of the Woodville Branch Bible Society, will be held on Tuesday evening next, 25th inst., in the Methodist church, commencing at 7:30 o'clock. Addresses will be delivered by the Rev. E. Cockburn of Uxbridge and the resident Ministers. A large attendance of all those interested in the dissemination of the Bible throughout the world is requested.

Quite True.—An exchange pertinent remarks:—"We observe that the greediest man after a newspaper is the one who is too mean to subscribe. He is always in waiting for the last paper and it is not two minutes on the owner's premises, till the non-subscriber pounces upon it like a hungry hawk, and never lets go till the last line is read, and then, perhaps, casts it aside with the remark that "he could print a better paper himself."

WM. HENRY, WOODVILLE.

THE universal favor with which the "Honey Fanning Mill" has been received by the farming community has rendered it necessary for Messrs. White & Brown to run their works over-time in order to keep up with the increasing demand for them. They have made and sold a large number thus far this season and find their orders coming in as fast as they can fill them. Being a complete grain and seed separator and having a cleaning capacity much greater than those of other manufacturers together with the fact that they personally guarantee every mill made by them renders it an implement which recommends itself at once to those who are desirous of securing the highest price for their grain. Intending purchasers should witness this mill at work at their warehouse before they give their order.
