It is nearly eight years since THE MAIL was established
and during that time it has gradually acquired circulation and
influence, which renders it second to no other newspaper in the
Dominion. The publisher, takes pleasure in announcing that
THE WEEKLY MAIL has met with a very large measure of
success in the year just closed, and that notwithstanding the
general depression in business and the consequent falling off in
the circulation of almost every other paper in Canada. THE
MAIL both DAILY and WEEKLY, has made a very great
advance.

Special editors have been engaged for the various departments
and no expense will be spared to make the whole paper INTER-
ESTING AND RELIABLE.

THE MAIL will remain true to the principles it has always
advocated, and it is intended to make it, by the aid of such
additional strength as ample capital can afford, even a more
potent champion of the Conservative cause. All the old Depart-
ments of

Telegraphic News, Political and Editorials

During 1880 the following Departments will receive special

ports of THE MAIL are noted as the most reliable in Canada.
