SOME time since an individual of insinuating mien, and smooth address came to town and launched forth as a manufacturer of a "superior Article" in "Ireland Oil Composition" and also a "Patent Soap." After a stay of about three weeks during which time he succeeded in victimizing quite a number, Mr. Ireland, if that is his name, suddenly betook himself to Orillia for the purpose of canvassing that town. A PROLIFIC SOURCE OF DISEASE.—A trifling indiscretion in diet may lay the foundation of confirmed dyspepsia, and there is no fact in medical science more positively ascertained or more authoritatively asserted than that dyspepsia is the parent of a host of bodily ills, not the least of which is contamination of the blood and the malades of which that is the direct consequence. Then original cause is, however, thoroughly eradicated from the system by **NORTHROP & LYMAN'S VEGETABLE DISCOVERY AND DYSPEPTIC CURE**, a medicine which only requires regularity and persistence in its use to cure dyspepsia and the many ills that arise from it. No deleterious mineral ingredient is contained in it, and though its action is thorough in cases of chronicness, it never produces gripping pains in the abdominal region, or weakens the bowels like a violent purgative. It invigorates the system through the medium of the increased digestive and assimilative activity which it promotes, and is also a most efficient remedy for kidney complaints, scrofulous and all diseases of the blood, female weakness, &c., &c. Price, \$1.00. Sample Bottle, 10 cents. Ask for **NORTHROP & LYMAN'S Vegetable Discovery and Dyspeptic Cure.** The wrapper bears a fac simile of their signature. Sold by all medicine dealers.

The proprietor of **BURDOCK BLOOD BITTER** challenges the world to produce the record of a medicine that has achieved a more wonderful success, or better credit in so short a period of time as has this great **Blood Purifier and System Renovator.** Its cures are the marvels of the age. Sample Bottles 10 Cents.
