**A Vexed Clergyman.**

Even the patience of Job would become exhausted were he a preacher and endeavoring to interest his audience while they were keeping up an innocent coughing, making it impossible for him to be heard. Yet, how very easy can all this be avoided by simply using Dr. King's New Discovery for Consumption, Coughs and Colds. Trial Bottles given away at John McKinnon's Drug Store, Beaverton, or at Gunn Bros., Woodville.

**Eldon Station.**

From our own Correspondent.

Recently a peerless individual residing not very far from Eldon Station, happened to call at Mr. Angus McEachern's blacksmith shop, on what business, our informant could not tell, unless it was to impart an important lesson to our respected blacksmith. However if this had been the object of *brounie*, his mission was a success, for Mr. McEachern will in future trust to the honesty of that *caitif* as far out of sight as he can throw a four year old bull by the tail.

Two flocks of wild geese made their annual exodus to the south last week.

Farmers in the east of this neighbourhood are selling their barley. They complain about the price.

Rain is much needed in this locality, as quite a number of the wells are dry.

Snowbirds made an appearance in large numbers last week.

**Best of All.**

Our rigorous and changeable climate, and our mode of life induces frequent colds that often lead to severe Coughs, Bronchitis and other lung troubles that are liable to end in Consumption. The best and most pleasant remedy known for these difficulties is Haysard's Pectoral Balsam, to be obtained of any Druggist.

Judge Armour fined six leading Toronto citizens \$25 each for not attending as grand jurors at the fall assizes in that city.

An eagle swooped down on a child playing in the street at Belleville on Friday last, and seized it in its talons. The child's sister was fortunately near at hand and drove the bird of prey off.

Mrs. B. M. Gifford, of Port Rowan, was for many years a sufferer with Liver Complaint, and a serious complication of diseases. In a recent letter she says that she has taken only two bottles of Burdock Blood Bitters, and has nearly recovered her health, and attributes as to use her name in advertising to suffering humanity.

The rails are being laid on the Toronto and Ottawa line at Madoc, and also on the road at Perth. There are 680 men engaged in the construction of the road which is rapidly approaching completion.

**A Fact.**

If you suffer from Chronic Disease, and have little faith in advertised remedies and have sought vainly for a cure, consult your Druggist, or address T. Milburn & Co., Toronto, for proof positive regarding the merits of Burdock Blood Bitters, the Great Regulating Blood Purifying Tonic, that acts on the liver, kidneys, stomach, bowels and skin.

Prof. TYNDALE unveiled the statue of Thomas Carlyle on the Thames embankment at Chelsea on Thursday. Mr. Tyn-dall expressed a wish that a memorial should be raised in the same place to Ralph Waldo Emerson, the "loftiest, purest, most penetrating spirit that ever shone in American literature."

**Better than Gold.**

A good name, good health, a good companion and a bottle of Haysard's Yellow Oil are among the first requisites for human happiness. Yellow Oil cures Rheumatism, Sprains, Lameness, Bruises, Burns, Frost Bites, Croup, Sore Throat, and all pain and Inflammation.

Rheumatism, This painful disease that so often cripples for life, arises from the poison circulating in the blood, and often from an excess of acid. Inflammation is developed in the muscles, ligaments and joints, by cold, damp clothing, &c. Liniments are serviceable to relieve, among many, Haysard's Yellow Oil is preferable. To eradicate the rheumatic poison from the system, nothing can surpass Burdock Blood Bitters.

**Fortunes for Farmers and Mechanics.**

Thousands of dollars can be saved by using proper judgment in taking care of the health of yourself and family. If you are Bilious, have sallow complexion, poor appetite, low and depressed spirits, and generally debilitated, do not delay a moment, but go at once and procure a bottle of those wonderful Electric Bitters, which never fail to cure, and that for the trifling sum of fifty cents.—*Tribune.* Sold by Gunn Bros., Woodville, and John McKinnon, Beaverton.
