

Eldon Station.

From our own Correspondent.

On Halloween night some party kindly disposed towards our energetic storekeeper, saved him the trouble of storing his carrots and cabbage by doing the work for him gratis.

We learn with deep regret that our convivial shoemaker east of Eldon Station, has been slightly lacerated by the invisible weights who happened to be out on Hallow Eve. It seems that he went for a short drive that evening, and being called at a certain house close to the road, his carriage was misused of its hind wheels during its owner's absence. However, by accelerating the velocity of his faithful pedestals to their maximum speed, our stalwart cordwainer succeeded in recovering the wheels being victorious in this encounter, he ventured to call at a second house, here the draw-bolt of his vehicle made its exit, and being irrecoverable, a wooden substitute had to be used in order to get once more to his penance sanctum where *pater* is always welcomed. A number of the plows around here were handled with surprising dexterity on Hallow Eve. One man's plow was found a few days afterwards in a well in the rear of his farm. Another plow was seen seated in an apple tree in a neighbor's orchard. A third man's plow was found perched on his neighbor's gate-post, while a fourth's was seen roosting on the peak of his neighbor's dwelling house. Other plows were also placed in novel positions much to the disgust of their owners. Altogether Halloweve passed off very lively in this locality. However, a number of the parties imposed upon intend to have a couple of shot guns in their possession to await the next occasion, when a more lively time may be expected.

A colt belonging to Mr. Neil McNabb fell into a well twenty feet deep a few days ago, but was at once rescued, apparently not much the worse by the mishap.

One evening last week light was seen in a vacant house on Lot 20, in 7th Con. There is an old stove in this stove in this house, and it is supposed that traps stayed there during the night. It would be very prudent for farmers to see that their stables and barns are well secured against such intruders.

Another of Mr. L. McEachern's fair daughters is gone, having selected her consort in the person of William Perrington. We wish them much mutual happiness in their new state. Two other weddings are also expected to come off in this section about Christmas.

Mrs. Strike gave a flying visit to a number of her friends in this section last week.

Consumption Cured.

An old physician, retired from active practice having had placed in his hands by an East India Missionary the formula of a simple vegetable remedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma, and all Throat and Lung affections, also a positive and radical cure for General Debility and all nervous complaints, after having thoroughly tested its wonderful curative powers in thousands of cases, feels it his duty to make it known to his fellow-men. The recipe, with full particulars, and the mode of preparing and using, and all necessary advice and instructions for successful treatment at your own home, will be received by you in return mail, free of charge, by addressing with a stamp or stamped, self-addressed envelope to

DR. J. C. RAYMOND,
164 Washington Street, Brooklyn, N. Y.

A PROVE THE SOURCE OF DISEASE—A trifling indisposition in the lungs, or the formation of a cold, or a cough, and there is no fact in medical science more positively ascertained or more authoritatively asserted than that dyspepsia is the parent of a host of bodily ailments, the source of which is consumption of the blood and the malady of which that is the direct consequence. Their original cause is, however, thoronily eradicated from the system by NORTROP & LYMAN'S VEGETABLE DISCOVERY, DYSPEPSIA CURE AND BLOOD PURIFIER, a medicine which requires regularity and persistence in its use to cure dyspepsia and the malady that arise from it. No deleterious action is throughout contained in it, and though its action is thorough in cases of constiveness, it never produces gripping pains in the abdominal region, or weakens the bowels like a violent purgative. It invigorates the system through the medium of the increased digestive and assimilative activity which it promotes, and is also a most efficient remedy for kidney complaints, serousness and all excesses of the blood, female weakness, &c., &c. Price, \$1.00. Sample Bottle, 10 cents. Ask for NORTROP & LYMAN'S Vegetable Discovery and Dyspepsia Cure. The wrapper bears a fac-simile of their signature. Sold by all medicine dealers.

A PHYSICAL WRICK—A hooking cough says the physical constitution, not alone because it attacks the tissue of the lungs and develops tubercles which corrode and destroy them, but also because it ruins rest and impairs digestion. How important, therefore, is a resort to judicious medication to stay its ravages. A toxic physical wreck must inevitably ensue without this. In the choice of remedy the pulmonary invalid is sometimes misled by spurious representations, to the serious prejudice of his bodily well-being. The only safe remedy is a tried and highly successful remedy. The credentials of NORTROP & LYMAN'S Emulsion of God Liver Oil and Hydrochloric Acid and Soda are set forth in the preceding pages, viz., that of the former: can be made in any quantity, and sold in this country. The Emulsion of vegetable phosphorus, and a popularly best on merit, combine to give the preceding standard medicine. In cases of asthma, weakness and lung, bronchitis, laryngitis and other throat and lung complaints, it may be employed also upon.

The people of this country have spoken. I declare by their testimony of Dr. Thomas' Electric Oil, that they believe it to be an article of genuine merit, and led to the cure of Rheumatism, as well as other painful affections, such as neuralgia, sciatica, lumbago, corns, bunions, piles, and other maladies.

Dr. J. W. Fairchild, of New York, writes: "I have used your Emulsion of God Liver Oil for many years, and have no hesitation in saying that it has proved to be a more effective remedy than any other medicine I have ever used. I consider it the only patent medicine that is more than it is recommended to be."

Never Neglect It. If you suffer from a cough, never neglect it. It is not a trifling matter, and might lead to a specifically fatal disease of the lungs. Hayy's Pectoral Balm will stay all irritation of the mucous membrane by its soothing healing power. It cures Bronchitis, Asthma, and all Throat and Lung Complaints.

Dr. D. W. Fairchild, of New York, says: "Personally I believe in the Emulsion. I use it myself, and in my family and practice. I have used it for many years with a confidence that I can attach to no other remedy. It is safe, it is effective." For sale by all druggists.

Special Notice.

DELAYS are dangerous, particularly in kidney diseases, so take at once DR. VAN BUREN'S KIDNEY CURE and obtain relief from all your sufferings. Your Druggist keeps it.

A SIMPLE herb found on the sunny plains of a Southern clime has, under the manipulation of DR. VAN BUREN, proved one of the greatest blessings ever sent to suffering humanity. DR. VAN BUREN'S KIDNEY CURE is a long-vested all the world over as the only perfect remedy for kidney troubles. Your Druggist has it.

PROCLAIM it far and wide that DR. VAN BUREN'S KIDNEY CURE not only immediately relieves all kidney diseases, but what is more important, to the unfortunate sufferer, will ultimately cure him actually.

Rheumatism, This painful disease that so often cripples for life, arises from the poison circulating in the blood, and often from an excess of acid. Inflammation is developed in the muscles, ligaments and joints, by cold, damp clothing, &c. Liniments are a valuable remedy, among many, Hayy's Yellow Oil is preferable. To eradicate the rheumatic poison from the system, nothing can surpass Burdock Blood Bitters.

Why go on day after day suffering with splitting headache when a bottle of DR. AYER'S PAIN EXPELLER will cure you? If you do not believe it, ask your druggist for a circular, and read what those who have used it say about it. Price, \$1.00.

PROPERLY RECOMMENDED. The CHINESE HAIR RESTORER restores beautiful, invigorates and improves the hair. Its per se use is always satisfactory, sold at 50 cents per bottle by all druggists.

Don't you forget it. Gargalese is widely known to be the best HAIR RESTORER ever introduced to the public. It has never been known to fail in restoring and imparting a beautiful glossy appearance to the hair. Sold at 50 cents a bottle by all druggists.

AFTER many years of patient investigation DR. VAN BUREN has discovered a medicine that would permanently relieve all cases of Kidney Disease. Be sure and ask your druggist for DR. VAN BUREN'S KIDNEY CURE.

Best of All. Our Vigorous and changeable climate, and our mode of life induces frequent colds that often lead to severe Croup, Bronchitis and other lung troubles that are liable to end in consumption. The best and most powerful remedy known for these difficulties is Hayy's Pectoral Balm, to be obtained of any Druggist.

Mrs. B. M. Gifford, of Port Rowan, was for many years a sufferer with Liver Complaint, and a serious complication of diseases. In a recent letter she says that she has taken only two bottles of Burdock Blood Bitters, and has nearly recovered her health, and attributes it to her name in advertising to suffering humanity.

A Fact. If you suffer from Chronic Disease, and have little faith in advertised remedies and have sought vainly for a cure, consult your Druggist, or address T. M. Murray & Co., Toronto, for most positive, reliable, and safe remedies of Burdock Blood Bitters, the Great Regulating and Purifying Tonic, that acts on the liver, kidneys, stomach, bowels and skin.

Better than Gold. A good name, good health, a good companion and a host of happy old Yellow Oil are among the first requisites for a man in business. Yellow Oil cures Rheumatism, Sprains, Lumbago, Bruises, Burns, Frost-bites, Croup, Sore Throat, and all pain and inflammation.

PATENTS.

We continue to act as solicitors for patents, events, trade-marks, copyrights, &c., for the United States, and to obtain patents in Canada, England, France, Germany, and all other countries. THIRTY-SIX YEARS' practice.

No charge for examination of models or drawings. Advice by mail free.

Patents obtained through us are noticed in the SCIENTIFIC AMERICAN, which has the largest circulation, and is the most influential newspaper of its kind published in the world. The advantages of such a notice are very extensive and valuable. This large and scientifically illustrated newspaper is published WEEKLY, at \$3.20 a year, and is admitted to be the best paper devoted to science, mechanics, inventions, engineering works, and other departments of industrial progress, published in any country. Single copies by mail, 10 cents. Sold by all newsdealers.

Address: MUNN & CO., publishers of Scientific American, 201 Broadway, New York.

Handbook about patents mailed free.
