The beautiful weather of the past week will be of great value to farmers in finishing their fall ploughing and other work which the late season has thrown so much behind.

1884 will be leap year. We throw this out as a hint to our fair readers.

TALK of a plowing match to take place here shortly.

ROASTBEEF MUTTON AND HAM, said the girl who "waits on the table" at a town hotel. "Well," said the old gentleman, "I've never tasted it, but you may bring me some and I'll see what it's like."

Another dodge to swindle farmers has been brought to light. It is played as follows: Two fellows arrange to meet at a farmer's house and manage to stay over night if they can, and make a trade before they leave in the morning, in which the farmer's name is asked as a witness to the contract, which afterwards turns out a promissory note, which is duly signed by the farmer, wherein he is obliged to pay a sum of money according to its terms. The note is therefore sold and transferred to an innocent purchaser, by whom it is presented to the maker for payment.

Remember H. Wilson, Woodville, has the largest stock of Dress Goods, Mantles, Cloths, Furs, Gloves &c. in town, and at greatly reduced prices.

A new disease among horses has appeared and is prevalent all over the Province. It apparently attacks the nerves, and the animal loses the power of its legs. Veterinarians say it is a species of typhoid fever, and has, in many instances, baffled their skill.

A census of the village taken last week gives us six hundred of a population. The petition to be presented to the Local Legislature requesting incorporation was also handed round for signature and met with but two refusals. The desire for the change may therefore be considered a unanimous one and we hope to see a vigorous movement made to present the matter to the government.

H. D. LUMSDEN, Esq., was in town on Monday last.

HALLOWEEN did not produce the usual batch of extravagances. Everything passed quietly.

The notice of meeting of Presbytery in our last should have read: "The Rev. Mr. Ross, declined to accept the call extended to him."

In Memorium.

To the memory of the late Charles Robinson, Esq., who was the pioneer Magistrate and Clerk of the Division Court of Thorah and Reeve of the Township for a number of years.

Another friend has passed away, Him we respected well, For a friendly disposition, None here did him excel; He had a kind word for all, The poorest that he met, And tho' he had becoming pride, He had no mean conceit; In the public sphere in which he moved, To give him his just dues, There's few, if any, in this place, That now can fill his shoes; While he was in authority, Among our pioneers, He was the man in the right place, Till far advanced in years; He did not act a selfish part, While here, he led the van, To take him altogether, Squire Robinson was a man; And he long shall be remembered Tho' now he's gone for ever, We hope into a better place Than this life's troubled river.

Holloway's Ointment and Pills.—Coughs, Influenza.—The soothing properties of these medicaments render them well worthy of trial in all diseases of the respiratory organs. In common colds and influenza the Pills, taken internally, and the Ointment rubbed over the chest and throat, are exceedingly efficacious. When influenza is epidemic this treatment is the easiest, safest, and surest. Holloway's Pills purify the blood, remove all obstacles to its free circulation through the lungs, relieve the over-gorged air tubes, and render respiration free, without reducing the strength, irritating the nerves, or depressing the spirits; such are the ready means of escaping from suffering when afflicted with colds, coughs, bronchitis, and other chest complaints, by which the health of so many is seriously and permanently injured in most countries.
