

A TRIBUTE OF WORTH:

(Equity, Bryson, Que., Nov. 13th, 1884.)

PARTING TRIBUTES

Mr. James A. Brown the promising student who labored so assiduously in the Presbyterian charge of this section during the past summer months left here on Friday morning last for Queen's College where he resumes his studies at once. On Tuesday last, the young people belonging to Lower Litchfield congregation who are also members of a Bible class which Mr. Brown organized showed their appreciation of his labors amongst them by presenting him with the following address and purse alluded to therein.

ADDRESS:—
TO THE REV. J. A. BROWN,
REV. AND DEAR SIR:—

We, the undersigned members of the Bible class in Lower Litchfield, cannot allow you to depart from amongst us without first expressing our sincere thanks for the many acts of kindness you have shown us, both as teacher and pastor during the short time you have been in our midst and at the same time request you to accept the accompanying purse, not for its intrinsic value but as a slight token of the affection and good wishes we entertain towards you. Wishing you every blessing in whatever field of labor you may be placed.

We are Dear Sir
Yours very faithfully,
Signed by 32 members,
Lower Litchfield, Nov. 4th.

On Tuesday evening last the Bryson congregation and a number of people belonging to other denominations repaired to the residence of W. E. LeRoy, Esq., where Mr. Brown has visited during his sojourn here for the purpose of making his last evening amongst them a pleasant one. When tea was served a short programme was drawn up to govern the evening's proceedings and Mr. Wm. Gardner elected to the chair. A choir speedily formed by a few of the young people present with Miss Annie Pattison as organist, at the chairman's solicitation, commenced the programme by singing the familiar piece "The Sweet Bye and Bye." Mr. Pattison was then called to address the assemblage which he did in his usual pleasing manner. Addresses interspersed by music then followed from Rev. Mr. Gardner, Mr. W. McCuaig and Rev. Mr. Linton. The latter gentleman introducing comicallities which were well appreciated as was evidenced by the repeated bursts of laughter elicited. The remarks of each speaker were enlivened by Mr. Brown's high character and expressive of regret at his departure from Bryson, with ardent hopes that a bright future would be his. Mr. Gardner closed the speaking with the customary chairman's remarks after which the choir sang "Shall we gather at the River." By singing and friendly converse the time wore away when all taking leave of their host hostess and guest left for their homes.

A Good Guarantee.

H. B. Cochran, druggist, Lancaster, Pa., writes that he has guaranteed over 300 bottles of Burdock Blood Bitters for dyspepsia, bilious attacks and liver and kidney troubles. In no case has it disappointed those who used it. In Canada it gives the same general satisfaction.

The constant feeling of being "played out" and "used up," can readily be removed by using Ayer's Sarsaparilla.

Danger in the Air.

In the chilling winds, the damp atmosphere, and suddenly checked perspiration, clouds are lurking. Haygard's Pectoral Balsam cures colds, coughs, asthma and bronchitis, and all complaints tending towards consumption.

One trial of Mother Graves' Worm Exterminator will convince you that it has no equal as a worm medicine.

A Good Motto.

Waste not your substance in riotous living, which feeds impure blood and clogs the system with disease. Open the channels of health, purify the blood, and regulate all the organs with Burdock Blood Bitters.

The ball that killed Lord Nelson is now in the possession of Queen Victoria, who has a taste for war relics.

Worms derange the whole system. Mother Graves' Worm Exterminator deranges worms, and gives rest to the sufferer.

In England there are over two million families that possess an average wealth of \$18,000 each.

Depend Upon It.

You can depend upon Haygard's Yellow Oil as a pain reliever in rheumatism, neuralgia and all painful and inflammatory complaints. It not only relieves but cures.

A Princely Fortune.

A man may possess the fortune of a prince but can never possess the happiness without good health; to secure which the blood must be kept pure and every organ in proper action. Burdock Blood Bitters purify the blood and regulate all the organs.

Never Give Up.

If you are suffering with low and depressed spirits, loss of appetite, general debility, disordered blood, weak constitution, headache, or any disease of a bilious nature, by all means procure a bottle of Electric Bitters. You will be surprised to see the rapid improvement that will follow; you will be inspired with new life; strength and activity will return; pain and misery will cease, and henceforth you will rejoice in the praise of Electric Bitters. Sold at fifty cents a bottle by J. McKinnon.

Hard and soft corns cannot withstand Holloway's Corn Cure; it is effectual every time.

"How does the new girl strike you?" asked a citizen of Detroit, at dinner lately. "She hasn't struck me yet," answered his wife weekly. "But she has done almost everything else."

DIED.

On Sunday, 23rd inst., the infant son of Mr. Alex. Adams, Woodville, aged 9 days.

BIRTHS.

At Cadillac, Mich., on the 20th inst., the wife of Mr. Robert Leslie, of a son.

These are cheap panaceas for various human ailments continually cropping up. Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure has no affinity with any of these. Unlike them, the article is derived from the purest sources, is prepared with the utmost chemical skill, and is a genuine remedy and not a palliative for biliousness, Constipation, Kidney troubles, impurity of the blood, and female complaints.

Mr. R. C. Winlow, Toronto, writes: "Northrop & Lyman's Vegetables Discovery is a valuable medicine to all who are troubled with indigestion. I tried a bottle of it after suffering for some ten years, and the results are certainly beyond my expectations. It assists digestion wonderfully. I digest my food with no apparent effort, and am now entirely free from that sensation, which every dyspeptic well knows, of unpleasant fullness after each meal."

A little town up in New York has a skating rink that they call the "Niagara." It is supposed that they call it that because the people go there to see the "falls."

D. Sullivan, Malcolm, Ont., writes: I have been selling Dr. Thomas' Electric Oil for some years, and have no hesitation in saying that it has given better satisfaction than any other medicine I have ever sold. I consider it the only patent medicine that cures more than it is recommended to cure. Unprincipled persons are selling imitations of Dr. Thomas' Electric Oil. Do not be deceived.

The people of this country have spoken. They declare by their patronage of Dr. Thomas' Electric Oil, that they believe it to be an article of genuine merit, adapted to the cure of rheumatism, as well as relieves the pains of fractures and dislocations, external injuries, corns, bunions, piles, and other maladies.

Bucklen's Arnica Salve.

The best salve in the world for Cuts, Bruises, Salt Rheum, Sores, Ulcers, Fever Sores, Tetter, Chapped Hands, Chilblains, Corns and all Skin eruptions, and positively cures Piles, or no pay required. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box. For sale by J. McKinnon.

Jubilee Singers.

The most interesting feature of the recent exhibition at Montreal, was a company of colored Jubilee Singers engaged in manufacturing the celebrated Gold Coin Chewing Tobacco, and at the same time delighting the crowds of spectators with exquisite southern melodies. A gold medal and a special diploma were awarded to this popular band of chomping tobacco and the thanks of the committee tendered to the Adams Tobacco Co. for their attractive exhibit.

Burdock BLOOD BITTERS
Cures Dizziness, Loss of Appetite, Indigestion, Biliousness, Dyspepsia, Jaundice, Affections of the Liver and Kidneys, Pimples, Blotches, Boils, Humors, Salt Rheum, Scrofula, Erysipelas, and all diseases arising from Impure Blood, Deranged Stomach, or irregular action of the Bowels.

Rev. Father Wilds' EXPERIENCE.

The Rev. Z. P. Wilds, well-known city missionary in New York, and brother of the late eminent Judge Wilds, of the Massachusetts Supreme Court, writes as follows:

"78 E. 54th St., New York, May 16, 1883. Messrs. J. C. AYER & Co., Gentlemen: Last winter I was troubled with a most uncomfortable itching humor affecting especially my limbs, which itched so intolerably at night, and burned so intensely, that I could scarcely bear any clothing over them. I was also a sufferer from a severe catarrh and catarrhal cough; my appetite was poor, and my system a good deal run down. Knowing the value of AYER'S SARSAPARILLA, by observation of many other cases, and from personal use in former years, I began taking it for the above-named disorders. My appetite improved almost from the first dose. After a short time the fever and itching were allayed, and all signs of irritation of the skin disappeared. My catarrh and cough were also cured by the same means, and my general health greatly improved, until it is now excellent. I feel a hundred per cent stronger, and I attribute these results to the use of the SARSAPARILLA, which I recommend with all confidence as the best blood medicine ever devised. I took it in small doses three times a day, and used, in all, less than two bottles. I place these facts at your service, hoping their publication may do good. Yours respectfully, Z. P. WILDS."

The above instance is but one of the many constantly coming to our notice, which prove the perfect adaptability of AYER'S SARSAPARILLA to the cure of all diseases arising from impure or impoverished blood, and a weakened vitality.

Ayer's Sarsaparilla

cleanses, enriches, and strengthens the blood, stimulates the action of the stomach and bowels, and thereby enables the system to resist and overcome the attacks of all Scrofulous Diseases, Eruptions of the Skin, Rheumatism, Catarrh, General Debility, and all disorders resulting from poor or corrupted blood and a low state of the system.
