### Gone to Vancouver.

Mr. Jas. Morrison, jr., left for Vancouver, B. C., on Monday evening last. Mr. Morrison has secured employment in a large soda water works in that city.

**Millinery! Millinery!! Millinery!!!**  
 Go to Hodgson's for the best Millinery, the latest styles and put together by the best milliner north of Toronto.

### Sabbath Train Running

Is becoming quite common on the G. T. R. now and it will not be long before it will come to be looked upon as the correct thing, in fact it has become so now in other parts of Canada.

### Dentistry.

Be sure and call on Mr. Neelands, dentist, early on Tuesday, the 13th, at the "Hamilton House."

### New Gate.

A firm of American sellers are introducing to this section a patent gate of a novel kind and one had been placed at the residence of Mr. Wm. Daly and another at the pasture field of Mr. B. Madill on Mara st. The apparatus is designed to remove the necessity of dismounting in order to open the gate.

### Big! Bigger!! Biggest: Bargains!

At Hodgson's in Mantles, Mantle and Ulstering Cloths, Tweeds, Overcoatings, Flannels, &c., &c.

### Another Victim.

The dread scourge of our race, consumption claimed another victim on Thursday last in the person of Miss Margaret Brown, daughter of Mr. James Brown, formerly of the 1st Con., Thorah. The funeral, which took place on Saturday, was one of the largest seen in Beaverton. The family have our sympathy and that of the community generally in their bereavement.

### Passed Away.

One of the most pitiable cases which has ever passed under our notice was that of the unfortunate Andrew Anderson, who passed away on Tuesday morning. For upwards of nine years he has been completely helpless save the power to open his mouth for food and a more distressing sight than a once fine vigorous man brought to this condition could not well be conceived. At one time he was possessed of extensive means and if a prudent care had been taken of himself and his property it is needless to say he would not have been brought to so lamentable a position. What has brought about this condition our readers will ask. Drink and its attendant abuses, nothing more or less, thus adding another to the long list of its victims and an example of its misery. Another wasted life and noble possibilities. Drop the curtain.

### Tea.

Best value in Tea ever offered, at R. Dunsheath's, Beaverton.

### A Brilliant Display.

Another brilliant display of the effervescent nature of the Scott Act drinks served in this locality was given on Saturday night last. The most horrible yelling and blood curdling oaths were thrown off by a drunken individual who desired most frantically to "clean out the town" and whose happiness could only be assured by murdering half its inhabitants.

### Handsome Gifts.

Ask to see the new presents given with the famous "New Era" Baking Powder, for sale by L. J. Cameron.

### Hallowe'en.

Hallowe'en passed off without any of the consensual pranks customary on that night being performed. This is greatly to the credit of the Loys of this village.

### Highest Price in Cash

For Eggs at R. Dunsheath's, Beaverton.

### Cool Burgess.

Cool Burgess dropped into town on Tuesday and with his company prepared to take us by storm. It did not succeed however. Cool's last visit here spoke and the result was a small house. Those who were present state the entertainment furnished was excellent and away ahead of anything he has offered for years past.

### Hodgson's Immense Stock.

### Not True.

Several of our merchants have had it stated by customers that small pox was in town, such having been reported in the country about. This is not the case. There is no sickness of a contagious nature in town at present and certainly no symptom of small pox. Every effort, we learn, is being made to stamp it out of the locality of Sutton.

### The Cheapest Yet!

### Thanksgiving Day.

Thursday next is Thanksgiving Day over the length and breadth of the Dominion. We notice most of our exchanges complain of the lateness of the date. We have always held it to be fully a month later than it should be and a change would be decidedly proper.

### Narrow Escape.

Last Monday night, shortly after dark, while Mr. J. Barnes was standing in front of the "Eldon House," waiting for a person to come along, with whom he had some business to transact, some one threw a stick of wood at him, striking the wood a few inches above his head, and rebounding struck him on the nose, inflicting a small scar. The perpetrator of the outrage, although followed could not be identified in the darkness. Mr. Barnes cannot account for the attack not being aware of having any enemies.

### Gone.

Mr. and Mrs. Rod. Campbell, and family were in town during the week paying a farewell visit to their friends, previous to setting out for British Columbia. They left on Wednesday for their distant home and were accompanied to the station by quite a large crowd of our people. THE ADVOCATE wishes the travellers every success. Rod. Campbell is a genial and large

hearted man, whose only enemy is himself and whose residence in Woodville was among the most pleasant of our memories. It was with regret we learned of his intention to remove from among us and our best wishes for their future prosperity follow himself and family. An extensively signed address, signed by all the business men of the village was also presented to Mr. Campbell previous to his departure.

When Baby was sick, we gave her Castoria,  
 When she was a Child, she cried for Castoria,  
 When she became a Miss, she clung to Castoria,  
 When she had Children, she gave them Castoria.

### Consumption Cured.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and lung affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. NOYSE, 149 Power's Block Rochester, N. Y.

Holloway's Pills are the medicine most in repute for curing the multifarious maladies which beset mankind when dry, sultry weather suddenly gives place to chilly, drenching days. In fact, these Pills offer relief, even if they fail of providing an absolute remedy in all the disturbances of digestion, circulation and nervous tone which occasionally oppress a vast portion of the population. Under the genial, purifying and strengthening powers exerted by this excellent medicine, the tongue becomes clean, the appetite improves, digestion is quickened, and assimilation is rendered perfect. These Pills possess the highly estimable property of cleansing the entire mass of blood; which, in its renovated condition carries purity, strength and vigor to every tissue of the body.
