

QUITE a few changes are anticipated in the Uxbridge Township Council for 1882. We understand the Reeve retires after many years' faithful service. 1st deputy, Parker seeks the re-election and 2nd deputy, C. Gould the 1st deputyship. We believe the two Councilors are both candidates for the 2nd deputy.—Guardian.

Those of the gentle sex who have experienced the pain and annoyance caused by excoriated nipples and inflamed breasts, can well appreciate the value of a remedy which removes the trouble. This is precisely what *Dr. Thomas' Electric Oil* does, besides curing, when used internally, asthma, croup and other maladies.

'Friendship,' Cicero says, "is the only thing in the world concerning the use of which all mankind are agreed," but all writers agree that a pen is a desideratum, and Estabrook's will be found to be A. 1.

We shall continue this list until accounts are settled and intend adding others whom we have notified, if not paid before our next. We hope our readers will note the names in this list for their own protection.

### HONEY'S IMPROVED FANNING MILL.

We desire to call the attention of the farming community to the above well known Fanning Mill, now being manufactured at our works. We are prepared to give

A WRITTEN GUARANTEE THAT OUR MILL IS ALL THAT IS CLAIMED FOR IT.

It is a perfect cleaner, and chaffer. It will take out Wild Oats perfectly. It will take out all Cockle, Chaff and other foul seeds, making a perfect sample of Market Wheat. It is a most perfect separator, and will separate all the large kernels from the small and shrunken grains. It is very rapid in its action. It separates all kinds of grain as well as seeds, and if Oats and Peas, or Timothy and Clover seed are mixed together and put through this Mill, they will come out perfectly separated. It will separate small and split Peas from large Peas, taking them from the chaff in the most perfect manner. The Honey Improved Fanning Mill and Separator, is acknowledged by all to be

The Best Mill Manufactured in The Dominion.

And in proof of this strong statement, we can furnish abundant testimonials from those having them in use. To intended purchasers we would say, come and see it for yourselves, and we feel confident you will be entirely satisfied that they are all they are represented.
