readers to one of the largest, ablest and  
most popular religious newspapers published  
—one that secures the best writers in the  
country and Europe, regardless of expense;  
has the best and fullest book reviews of any  
paper in the country; has able articles upon  
financial and commercial subjects; has de-  
partments edited by specialists and devoted  
to Fine Arts, Music, Science, Religious  
Intelligence, Missions, School and College,  
News of the Week, Hymn Notes, the Sun-  
day-School, Legal and Sanitary questions,  
Biblical research, (something that cannot  
be found in any other newspaper in the  
United States), Farm and Garden, Insur-  
ance, Weekly Market Reports, etc.—in  
fact a newspaper which, with its twenty-  
two distinct departments, is suited to the  
requirements of every family, containing a  
fund of information which cannot be had in  
any other shape, and having a wide circula-  
tion all over the country and in Europe.  
We refer to THE INDEPENDENT, of New

A MOVEMENT is on foot to unite  
Reach, Port Perry, and Scugog Agri-  
cultural Society with that of Uxbridge.

MR. FRANK KEAN is spoken of as a  
probable candidate for the Orillia  
Mayoralty.

FENELON FALLS' main street is being  
graded with stone taken from the  
canal, and which is laid down by the  
contractors free of charge.

A MAN met with a painful accident  
in Midland last week by having a hod  
full of brick fall from the top of a  
building on top of his head and  
shoulders.

A short time ago some roughs en-  
tered the Presbyterian church at  
Uptergrove, by kicking the doors in,  
and upset the stove, pulled the pipes  
all apart, tore up the altar carpet and  
burned it, as well as otherwise abusing  
the church property. It is a pity the  
perpetrators of such a base crime could  
not be discovered and lodged in the  
penitentiary for a number of years.  
It might be the means of teaching them  
to have some respect for the house of  
God, even if they have none for them-  
selves.

### Fortunes for Farmers and Mechanics

Thousands of dollars can be saved by using pro-  
per judgment in taking care of the health of your-  
self and family. If you are bilious, have bad  
complexion, poor appetite, low and depressed  
spirit, and generally debilitated, do not only a  
moment, but go at once and procure a bottle of  
these wonderful Electric Bitters, which never fail  
to cure, and try it for the trifling sum of fifty cents.  
—Taken and sold by Dr. J. M. McKinnon, Woodville, and  
John McKinnon, Beaverton.
