SCROFULA

and all scrofulous diseases, Sores, Erysipelas,
Eczema, Blotches, Ringworm, Tu-
mors, Carbuncles, Boils, and Eruptions
of the Skin, are the direct result of an
impure state of the blood.

To cure these diseases the blood must be
purified, and restored to a healthy and nat-
ural condition. AYER'S SARSAPARILLA has
for over forty years been recognized by emi-
nent medical authorities as the most pow-
erful blood purifier in existence. It frees
the system from all foul humors, enriches
and strengthens the blood, removes all traces
of mercurial treatment, and proves itself a
complete master of all scrofulous diseases.

A Recent Cure of Scrofulous Sores.
"Some months ago I was troubled with
scrofulous sores (ulcers) on my legs. The
limbs were badly swollen and inflamed, and
the sores discharged large quantities of
offensive matter. Every remedy I tried
failed, until I used AYER'S SARSAPARILLA,
of which I have now taken three bottles,
with the result that the sores are healed,
and my general health greatly improved.
I feel very grateful for the good your
medicine has done me.
Yours respectfully, MRS. ANN O'BRIAN,
148 Sullivan St., New York, June 24, 1882.

All persons interested are invited
to call on Mrs. O'Brian; also upon the
Rev. Z. P. Wilds of 78 East 54th Street,
New York City, who will take pleasure
in testifying to the wonderful efficacy of
Ayer's Sarsaparilla, not only in the cure
of this lady, but in his own case and
many others within his knowledge.

The well-known writer on the Boston Herald,
B. W. BALL, of Rochester, N.H., writes, June
7, 1882:

"Having suffered severely for some years
with Eczema, and having failed to find relief
from other remedies, I have made use, during
the past three months, of AYER'S SARSAPA-
RILLA, which has effected a complete cure.
I consider it a magnificent remedy for all
blood diseases."

Ayer's Sarsaparilla
stimulates and regulates the action of the
digestive and assimilative organs, renews
and strengthens the vital forces, and speedily
cures Rheumatism, Neuralgia, Rheuma-
tic Gout, Catarrh, General Debility, and
all diseases arising from an impoverished or
corrupted condition of the blood, and a weak-
ened vitality.

It is incomparably the cheapest blood medi-
cine, on account of its concentrated strength,
and great power over disease.

PREPARED BY
Dr. J. C. Ayer & Co., Lowell, Mass.
Sold by all Druggists; price \$1, six bottles

Jubilee Singers.
The most interesting feature of the recent ex-
hibition at Montreal, was a company of colored
Jubilee Singers engaged in manufacturing the
celebrated Gold Coin Chewing Tobacco, and at
the same time delighting the crowds of spec-
tators with exquisite southern melodies. A gold
medal and a special diploma were awarded to
this popular band of chewing tobacco and the
thanks of the committee tendered to the Adams
Tobacco Co. for their attractive exhibit.

Never Give Up.
If you are suffering with low and depressed
spirits, loss of appetite, general debility,
disordered blood, weak constitution, head-
ache, or any disease of a bilious nature, by
all means procure a bottle of Electric Bit-
ters. You will be surprised to see the rapid
improvement that will follow; you will be
inspired with new life; strength and activ-
ity will return; pain and misery will cease
and henceforth you will rejoice in the praise
of Electric Bitters. Sold at fifty cents a
bottle by J. McKinnon.

From Our Correspondent.

Mr. J. Perrington of Long Point has pur-
chased D. McIntyre's place for his son who
intends moving in as soon as sleighing. The
price paid we heard was \$3,300. Mr. Har-
vey, son in law of Mr. S. Nicholson has
purchased Mr. N. McLeod's place and is
busy settling. The price paid was \$9000.

A Tea meeting is to be held in both
churches at Glenarm on Christmas day.
The Christians workers who are laboring at
Zion are making a few converts here. We
expect a band to come to Glenarm in a short
time.

Kirkfield.
From Our Correspondent.

Mr. J. W. Shields has removed his store
into Mr. McRae's new store.

The teachers of our school intend holding
a concert in the school, on the evening of
Dec. 11th, for the purpose of procuring
prizes for the children at the close of the
year. As Kirkfield is already so justly
celebrated for entertainments of every de-
scription, an interesting time may be ex-
pected as a splendid programme is in course
of preparation. Music of every description,
including the famous bag-pipes, will be
rendered in first-class style. A cordial
invitation is extended to all.

Mr. John Ray who has proven himself to
be one of the most expert huntsmen in the
northern districts of Ontario, is now on the
war path, and at the close of each day may
be seen returning from the plains with a
fine deer or two. When John gets on a
trail he never falters till with unwearied
step he finally runs the deer down and
suddenly terminates the go-as-you-please
race with his trusty rifle. He has several
fine deer for sale at the present time.

Mrs. R. Armstrong of this village has,
we regret to say, been very ill for the past
week. Under the skillful treatment of Dr.
Wood she is slowly recovering and we
sincerely hope to see her regain her usual
health at an early day.

Mr. H. McKenzie has just completed a
fine stable on the lot adjoining his resi-
dence.—Mr. A. McKenzie has also built a
fine platform around his house which adds
greatly to the appearance of his resi-
dence.—Mr. R. Campbell has made many
improvements in his already comfortable
residence. He has spared neither pains nor
expense in fitting it up so as to be capable
of resisting the very severe frost of our
Canadian winters. He has also built a good
sidewalk, but everything is not just so in
this particular case, as a row of trees extend
along the centre of it which makes impera-
tive on the part of the lovers of our town,
to separate and then gently link after each
tree is passed. However, "absence makes
the heart grow fonder."

The following is the standing of the pupils
of S. S. No. 8, Eldon, for the month of

Our readers attention is directed to the
advertisement of the Montreal Witness pub-
lications, which appear in another column.
We notice that the circulation of the Weekly
Witness has increased very much during the
last couple of years—a clear proof of the
estimation in which it is held by the read-
ing public. All the journals emanating from
the Witness office are, "family papers" in
the true sense of the term, and contain a
large amount of varied and interesting news.
It is always to a person's advantage to take
a first-class city paper in addition to that of
the locality in which he resides.

A Great Discovery.
Mr Wm. Thomas, of Newton, Ia., says:
My wife has been seriously affected with a
cough for twenty five years, and this spring
more severely than ever before. She had
used many remedies without relief, and be-
ing urged to try Dr. King's New Discovery,
did so, with most gratifying results. The
first bottle relieved her very much, and the
second bottle absolutely cured her. She
has not had a good health for thirty years.
