## INSURE.

This is the time of year you should get insured as there are so many dangers in dry weather of fires. Please read the following card of thanks from Mr. James Parson of Woodville, whose barn took fire from lightning on the 23rd of May. And if you want any business in that line give me a call as you always know where to find me. Remember I can do insurance as cheap as the cheapest, as I do business for several companies and cheaper as I don't charge the usual \$1.50 for policy fees, but the best Company is always the cheapest in the end.

**J. C. GILCHRIST,**  
Insurance Agent.

### Card of Thanks.

I hereby wish to express my thanks to the Citizen's Insurance Co. for their prompt and liberal settlement of my claim against them for loss to me by lightning on 23rd of May, 1884, and also to your agent Mr. Gilchrist for his kind assistance.

Signed, **JAMES PARSON**
