INSURE.

This is the time of year you should get insured
as there are so many dangers in dry weather of
fires. Please read the following card of thanks
from Mr. James Parson of Woodville, whose
barr took fire from lightning on the 2nd of
May. And if you want any business in that
line give me a call as you always know where to
find me. Remember I can do insurance as cheaply
as the cheapest, as I do business for several com-
panies and cheaper as I don't charge the usual
\$1.00 for policy fees, but the best Company is
always the cheapest in the end.

J. C. GILCHRIST,

Insurance Agent.

Card of Thanks.

I hereby wish to express my thanks to the
Citizens' Insurance Co. for their prompt and lib-
eral settlement of my claim against them for
loss to me by lightning on 31st of May, 1884,
and also to your agent Mr. Gilchrist for his kind
assistance.

Signed, JAMES PARSON

A MARVELOUS STORY

TOLD IN TWO LETTERS.

FROM THE SON:

"28 Cedar St., New
York, Oct. 23, 1882.
Gentlemen: My father resides at Glover,
Vt. He has been a great sufferer from Scrofu-
la, and the enclosed letter will tell you what
a marvelous effect

Ayer's Sarsaparilla

has had in his case. I think his blood must
have contained the humor for at least ten
years; but it did not show, except in the form
of a scrofulous sore on the wrist, until about
five years ago. From a few spots which ap-
peared at that time, it gradually spread so as
to cover his entire body. I assure you he was
terribly afflicted, and an object of pity, when
he began using your medicine. Now, there are
few men of his age who enjoy as good health
as he has. I could easily name fifty persons
who would testify to the facts in his case.

Yours truly,
W. M. PHILLIPS."

FROM THE FATHER:

"It is both a
pleasure and
a duty for me to state to you the benefit I
have derived from the use of

Ayer's Sarsaparilla.

Six months ago I was completely covered with
a terrible humor and scrofulous sores. The
humor caused an incessant and intolerable
itching, and the skin cracked so as to cause
the blood to flow in many places whenever
I moved. My sufferings were great, and my
life a burden. I commenced the use of the
SARSAPARILLA in April last, and have used it
regularly since that time. My condition
began to improve at once. The sores have
all healed, and I feel perfectly well in every
respect—being now able to do a good day's
work, although 73 years of age. Many inquire
what has wrought such a cure in my case, and
I tell them, as I have here tried to tell you,
AYER'S SARSAPARILLA. Glover, Vt., Oct.
21, 1882. Yours gratefully,
HIRSH LEWIS."

AYER'S SARSAPARILLA cures Scrofula
and all Scrofulous Complaints, Erysipelas,
Eczema, Ringworm, Lice, Itch,
Sores, Boils, Tumors, and Eruptions of
the Skin. It clears the blood of all impu-
rities, aids digestion, stimulates the action of
the bowels, and thus restores vitality and
strengthens the whole system.

PREPARED BY

Dr. J. C. Ayer & Co., Lowell, Mass.

Sold by all Druggists; \$1, six bottles for \$5.

Jubilee Singers.

The most interesting feature of the recent ex-
hibition at Montreal, was a company of colored
Jubilee Singers engaged in manufacturing the
celebrated Gold Coin Chewing Tobacco, and at
the same time delighting the crowds of spec-
tators with exquisite southern melodies. A gold
medal and a special diploma were awarded to
this popular band of chewing tobacco and the
thanks of the committee tendered to the Adams
Tobacco Co. for their attractive exhibit.

An Entertaining Reliable House.

Gunn Bros. can always be relied upon,
not only to carry in stock the best of every-
thing, but to secure the Agency for such
articles as have well known merit, and are
popular with the people, thereby sustaining
the reputation of being always enterprising,
and ever reliable. Having secured the
Agency for the celebrated Dr. King's New
Discovery for Consumption will sell it on a
positive guarantee. It will surely cure any
and every affection of Throat, Lungs, and
Ch. etc, and to show our confidence, we in-
vite you to call and get a Trial Bottle Free.

The reason why Arnica & Oil Liniment is
so popular with the ladies is because it not
only is very healing and soothing but its
odor is not at all offensive. Dec. mo.

Don't suffer with indigestion, use Baxter's
Mandrake Bitters. Dec. mo.

Lorneville.

From Our Correspondent.

Mr. John Westlake, of the 4th Con. of
Eldon, has purchased from Mr. John Camp-
bell, Jr., of Marietta, his fine thoroughbred
Bull calf "Macduff's Hero." This noble
animal was sired by the prize winning bull
"Macduffand", and is now about six months
old and of a fine red color. Mr. Westlake
has made a valuable addition to his herd in
this purchase.

As the time is not far distant for the an-
nual meeting of our township Agricultural
Society. We would suggest that more
interest be taken in the matter than is
usually shown. Let every member attend
and every farmer who is not a member
become one. Then let them go to the meet-
ing and state their complaints (of which
your correspondent has heard many) in
public where they will have an opportunity
to offer any suggestions which would tend
to the good of the society. Especially let
the farmers turn out and lend a helping hand
as this is a society expressly for the farmers'
benefit. Let us have an active, energetic
Board of Directors for 1885 and make
Eldon Agricultural Society, second to none
in the Province.

Mr. Eachern McEachern, of the 1st Con.
of Eldon, has rented his farm to Mr. Millar
of Reach. As Mr. McEachern has poor
health he intends leaving for California in a
few days. The good wishes of the com-
munity go with him.

Mr. A. Howkins has posts planted for
sixty rods of wire fencing on his farm. Mr.
Howkins is a believer in this species of fencing
and will use it very extensively on his pre-
mises.

It is with much regret we learn of the
death of John Roderick the second son of
Rev. A. McKay, formerly of Eldon. The
young man was attacked with the fell de-
stroyer-consumption, and after many reme-
dies had failed, visited California where he
has resided for some time, even this did not
save him and he died on the 3rd inst., at
Orange, Los Angeles County.

Cambridge

From Our Own Correspondent.

The young folks are still keeping their
debate meeting in motion and we learn the
coming discussion will be "Resolved, that
Riches are more destructive to man than
Poverty." We anxiously await the result.

Rev. Mr. Patterson occupied the Presby-
terian pulpit on Sabbath afternoon last and
preached an able and touching sermon to a
large congregation.

The prayer meetings held at Mr. R. J.
Campbell's are being well attended and are
doing much good in the neighbourhood.

Bolsover.

From Our Own Correspondent.

Mr. Robert Cowie, Jr., gave a social party
on Friday evening of last week. The heavy
rain somewhat dampened the proceedings.
Keeping many of the guests away.

Mr. Duncan McRae, has returned home
from a hunting expedition from the Garden
plains. He captured seven fine deer, five of
which he disposed of in Beaverton. Deer
are numerous this fall.

A Soiree and Entertainment is billed to
take place on Christmas night, in behalf of
the Union Sabbath School of the village.
A splendid programme will be presented and
tea is also to be served in the School House.
The Cambridge choir is to be present.

Maple Hill.

From Our Correspondent.

Miss McIntyre, of Lorneville, has been
engaged to take charge of our school during
the ensuing year.

The roads are in a bad condition in this
locality, being terribly rough.

Quite a time preparing for the Xmas
Holidays—look out for numerous weddings
between now and New Year.

The temperance movement is creating
much agitation at present in this locality.
It would be wise to give the Scott Act con-
sideration before bringing it before the
people and no better way can be found than
through the temperance societies. Talk it
up, and when the time arrives people will
be able to give an intelligent vote on the
question.
