FRIDAY, DECEMBER 2, 1887.

Cattle Wintered.

We will winter a limited number of cattle, on reasonable terms, for particulars, apply to P. McMillan & Sons, Beaverton.

Grip's Comic Almanac.

For 1888 has been received, and is certainly a credit to the publishers. The six calendar pages are from designs by J. W. Bengough, and the whole series are about the best specimens of caricature drawing that we have yet seen from the pen of this clever artist. A. H. Howard, W. Bengough and other artists contribute sketches—a series of pictures illustrating the House that Hash Built being particularly good, while the reading matter throughout is even better than has appeared in previous years. The price is only 10 cents a copy, and you can get it at the bookstores or send direct to "Grip" Office, Toronto.

All Kinds of Firewood for sale and delivered to any part of the village—P. McMillan & Sons, Beaverton.

Just What's Wanted

Some one has invented a new style of boy's trousers which is highly recommended. They have a copper seat and sheet-iron knees, are riveted down in the seams and have water-proof pockets to hold broken eggs, etc.

A Set of Teeth for \$3.

W. H. Gross, Dentist, Lindsay, offers till January 1st, best sets of teeth for \$11.50 worth \$18, or a set of average quality, beautiful teeth for \$8. Do not delay but visit Mr. Gross at once, get your teeth out without any pain and new ones in. Vitalized air and gas free for extracting.

High School Entrance Examination.

Notice has been received from the Education Department that the High School entrance examinations will be held on the 21st, 22nd and 23rd of Dec., instead of the 20th, 21st and 22nd as at first fixed. Teachers and intending candidates will observe the change.

Wanted.

At Hodgson's Cash Store, Beaverton, any quantity of Potatoes and Beans.

Your Birds.

Do not hang a canary bird over five feet from the floor. This gives an average temperature and a purity of air. When ventilating a room see that the bird is not in a draught. When hung out of doors have a part of the cage in the shade, so that the bird may have a retreat, if he chooses to take it, from the sun.

Before.

Investing your money in Farms, Land, Houses, &c. it will pay you better to see Hodgson's Christmas Sale Bills and invest in some of the Plans.

Another "Fake."

An exchange tells of a man who has been selling patent churns to the farmers taking in payment notes payable on demand and made "not transferable" and pledging himself not to demand payment within a certain long period. Then he changed the note to note, and sold the notes, and the farmers were called upon to pay.

Ladies.

See our Black broadened Friczo Mantle Cloth (something new) at 45 cts. on the \$1. The greatest bargain ever offered to the Canadian public.—J. Hodgson.

Wrong Date.

The Village Council did not meet on Friday night as announced in our last having met on the Wednesday previous. The error was not ours however, the date having been changed after we had been notified.

Men's Kip Boots.

Clearing sale, only \$2.75, at the Golden Boot.

Venturesome.

A number of boys were skating above the dam last Friday and Saturday. A sheet of ice covered the water but it could hardly be called safe for skating.

The Weather.

We have had some weather during the week, and should the almanac not be imposed on we will in all probability have more weather. Heavy rains on Saturday and Sunday, with five inches of snow on Monday. Hard frost on Tuesday and Wednesday and extra visits to the wood pile on Thursday.

Coal Oil.

Go to Hodgson's for the best Canadian and American Coal Oil at Rock-bottom Prices.

At Last.

We are very easy going people in Beaverton and it is not often we allow even so serious an event as a bogus yacht race to disturb our equanimity. In this case, however, insult has been added to injury and the Orillia newspaper which called Beaverton, "Suckertown," must be made to know that there is a limit even to our forbearance and that at the above name we draw the line. In another column will be found a sample of the indignation which possesses our people and we understand several parties are now preparing to furnish us with a quantity of the latest and most approved vituperation which we are to hurl solidly at the heads of Orillia editors. We earnestly implore our brethren of the Orillia press to spare our feelings and our ink by seeing to it that the villifiers of this illustrious town be forthwith gibbeted or made to pay up.

Lookout for it.

The Band Concert on the 26th of December. Tell your friends and give the boys a bumper house. Tickets will be issued for sale this week.

St Paul's Church.

Service will be held in the above church on Sunday next, morning and evening.

Look Here.

Men's High Foxed Felt Boots, given away for \$1.75, at H. Waller's, Beaverton.

The Response.

We have had several respond to our invitation to pay up. We thought our remarks were cordial enough but evidently in many cases they have been misunderstood for as yet only a few have called to see us. Gentlemen, and fellow citizens, if we have not given you value for your money in the past, part with us in the future. It is your right, but what you have received it is your duty to pay for and we hope it will be forthwith. Permit us to say right here that the mistaken impression is abroad that the Editor is the one in the community who does not require the money which to others is so vital a necessity. In some inexplicable manner he is supposed to exist and as a rule that is the way he does. All the same it is very inconvenient as well as annoying to find heavy bills for paper, etc. pressed upon him for payment without the wherewith to meet them, and all as the result of this inconsiderate idea that the little account you owe cannot make any difference to him. Come in friends, and see the smile with which even our "devil" will greet you when you pay up.

Anniversary.

Beaverton Lodge, I. O. O. F. celebrated the anniversary of the introduction of the triple links to Beaverton by an Oyster Supper at the restaurant of Mr. P. D. McArthur on Friday evening last. A very agreeable company assembled and spent a pleasant evening. The usual toasts were disposed of and numerous happy speeches made in response. The Lodge is now strong and flourishing and has a very promising future before it.

Hodgson

Has a tremendous stock of Boots and Shoes for Men and Boys, Women's, Misses' and Children's at cost prices, also Overshoes and Rubbers for Men, Women, Misses, and Children.

Christmas Prize Distribution.

It has been decided to hold the annual Christmas distribution of gifts and prizes to the scholars of St. Paul's church Sunday school on Tuesday evening December 6th at 7 o'clock, p. m., in the church.

Frozen Over.

Lake Simcoe was frozen over for the first time this season on Wednesday night last, December 1st. This is the earliest closing of the lake for many years.

The Social.

The Social held in 'Alexandria Hall' by the Methodist Church on Wednesday evening was a very successful affair in every particular. A large audience was present and the tables were kept well filled until a late hour when the time was taken up by addresses by Rev. Mr. Herrin of Atherley, Rev. Dr. Watson, Rev. Mr. Johnson of Cannington, and Rev. Mr. Wilson of Woodville, freely interspersed with excellent music by the choir. A very enjoyable evening was passed.

Moving.

Mr. J. Reynolds and family leave here for Fenelon Falls, next week.

Scott Act Cases.

Two cases of violation of the Scott Act were tried by the Police Magistrate yesterday and resulted in A. Hamilton, Beaverton, being fined \$100.00 and costs and A. McNeil, Gamebridge, two cases, \$50.00 each and costs. Several other cases from Brechin and Uptergrove, will be tried to-day.

For the Cheapest

Most stylish assortment of Millinery, broadened Veilots for Mantles, 65 cents per yard. Wool and Silk Veilings, a large assortment, call at Misses McMillan's, Woodville.

Conceivable

Some of our young lads played a very conceivable and dishonest trick on Miss Kate McLaugh. A cent was carefully covered with tin foil so that in the evening light it looked like a new twenty-five cent piece, one of the boys then came to the house with the request for change and the unsuspecting lady handed out the money whereon the boys decamped. The same game was tried on Miss Ann McMillan but the fraud was detected. The parents of these youths would be doing the youngsters a great service by giving them a sound dose of the birch.

Pork Wanted.

I am now prepared to pay the highest price for dressed hogs. D. McLachlan, Woodville.

The Bottom Gone.

The bottom is knocked completely out of the old idea that large pieces are the only ones in which a good fitting suit can be obtained. Let us tell you, gentle reader, that we can give you a suit which cannot be beaten in any respect by city tailors at much lower prices. Jno. K. Campbell, Woodville.

Announcement

Mr. Walter Dunnatt, leader of the "Rescue Duett," of Hamilton, will (D. V.) preach in Victoria Hall, Woodville, on Sunday, the 18th of December, and will also deliver one of his popular lectures entitled "Man's Greatest Enemy," on the Monday evening following. Admission to the Lecture 10 cents.

Rubbers and Overshoes.

See our new arrivals in "Snow Excluders," Overshoes and Rubbers. All lines. Cheapest in town. A. Stewart, Woodville.

Coming.

The famous O'Banyoun Jubilee Singers will fill an engagement here shortly, under the auspices of the Methodist church. Those who were present at their concerts when here before will know what to expect.

The Best Thing Yet.

If you have not seen the "Mascott" Self-acting shade roller and the "Gartshorne" blinds call at J. C. Gilchrist's Woodville. Beautiful designs and cheap.

The McGregor Concert.

The concert given under the auspices of the R. T. of Temperance by Mr. Finlay McGregor brought out a good audience. The concert was fair.

New Stock.

Try Prior's, Woodville, for cheap Dry Goods, Groceries, Crockery and Glassware.

Cold.

A very sudden drop into winter occurred on Tuesday last. On Wednesday night the thermometer dropped to 10° below zero.

Look Here.

You can buy Tweeds at a big discount for cash at J. R. Prior's, Woodville.

Sold.

The old Methodist church has been sold to Mr. H. McNeil. We understand he intends converting it into a blacksmith's shop, his present premises being too small to accommodate his increasing business.

Bargains.

Big bargain sale of Tweeds now going on, for cash, at J. R. Prior's, Woodville.

Skating Rink.

Mr. W. Bolton is going ahead with his Skating Rink. It promises to be a large one. We wish him success in his venture.

Gone to the Falls

Our town baker left for Fenelon Falls yesterday. He intends starting business there.

Sheep Poisoned.

Mr. Dan. Grant of the village lost six of his fine sheep last week through their drinking brine thrown from a barrel. Others which also drank are improving.
