The New Post Card.

The post office department will soon issue a new style of postal card. It is much like the double card of the present pattern. The back folds are split diagonally and open like a pointed star. The four corners are folded and joined in the centre, when the card is ready for mailing, with a piece of gummed paper. The card weighs less than half an ounce and will contain no more writing than the present card, the only advantage being greater privacy.

The W. C. T. U. met as usual on Thursday last; the president in the chair. After the opening exercises, satisfactory reports were heard from the recording secretary and the treasurer. It was then unanimously agreed upon by the ladies that Mr. G. F. Bruce be asked to take the chair at a lecture to be given by Rev. W. A. McKay, of Woodstock, on the 11th inst. A reading, "The Church in the Wilderness," was given by Mrs. C. C. Spencer, followed by a song, "Gather the Wanderers in," by Miss Westcott. A letter was then read by the secretary from Miss J. Cameron, expressing gratitude for having been remembered by the Union in a vote of thanks for past services, and a vote of thanks was tendered Mr. Spencer, for his kindness in tuning the Band of Hope organ, after which the meeting closed with the doxology and prayer.—[PRESS COM.]

Woodville Local News.

FRIDAY, DECEMBER 7, 1888.

Dedication.

Our Presbyterian friends have kindly placed the church at our disposal for Sabbath the 9th inst. As pastor of the Methodist church and in behalf of my congregation and building committee, I wish to tender our heartiest thanks for the use of their spacious church with its magnificent array of sheds at our disposal for the day. Both pulpits will be occupied by honored members of the conference. Through the kindness of Rev. Mr. Ross and his elders the offerings of both churches will be placed to the credit of the committee. May Sabbath Dec. 9th, 1888 be a memorable day in the history of Woodville and may all these opening services be characterized by great spiritualism and power.

Division Court.

Division Court Sitting on Tuesday, Nov. 27th, 1888, before His Honor, Judge Dean.

McEachern vs. Myles.—Adjourned to next court.

Cameron vs. Ashman.—Adjourned to next court without costs.

Smith vs. Donnelly.—Garnishee corporation of Woodville, judgment for plaintiff, against primary debtor and for garnishee.

Smith & Co. vs. Johnson.—Garnishee Norman Ferguson, judgment for plaintiff against primary debtor and for garnishee.

Cameron vs. McDonald.—Garnishee Wm. McLeod, judgment for garnishee. A number of judgment summonses were issued by the court.

St. Andrew's Society.

The members of Woodville St. Andrew's Society celebrated the annual festival as announced, by a public dinner held in Mr. Arch. Campbell's block. A large gathering were present, in fact, with one exception, the largest which has ever assembled on these occasions. Mr. Angus McKinnon, as caterer, laid a magnificent spread on the boards which it is needless to say was done full justice to. After supper the usual routine of toasts were brought forward and ably responded to. Altogether a very pleasant reunion took place.

Opening.

The new Methodist church is to be opened on Sunday next with appropriate services. Rev. Dr. Williams, president of the Bay of Quinte Conference will preside. On Monday a dedicatory tea is to be held and the usual speaking engaged in. A distinguished list of orators is announced and no doubt a very pleasant time will be enjoyed. We are somewhat disappointed in not seeing the name of the Rev. Mr. Wilson among the speakers; to the energy of this gentleman is in a large measure due the noble edifice about to be opened.

Said to Be.

The new issue of the Ontario Bank's five, ten and twenty dollar bills are in circulation. They are said to be very handsome, but we cannot say for certain as we have not had the pleasure of clapping our optics on them. If they were ten cent pieces we might possibly be able to give a minute description of them. The very idea of an editor being the happy possessor of even an old dilapidated five dollar bill is absurd, let alone a bran new one.

When Baby was sick, we gave her Castoria,
 When she was a Child, she cried for Castoria,
 When she became Miss, she clung to Castoria,
 When she had Children, she gave them Castoria.
