SKETCHES OF THE NEW COUNTY COMMISSIONERS

Short Biographies of the New Members of the County Council

WILLIAM ADAMS

Mr. William Adams one of the commissioners for No. 3 division lives on lot 6, concession 4, of Emily. He is a Fermanagh man, sixty-four years ago he was born in that Irish county of stalwarts. When only a lad of six he came to Canada with his parents who settled, pioneers in the township whose municipal fortunes he was destined to so largely mould. The old homestead was lot one of the first concession of Emily. In 1876 Mr. Adams first entered the council of that township. He held the position for the three following years and in 1880 was elected deputy reeve by acclamation. In 1884 he again re-entered the council and sat for four years. Again he was deputy reeve by acclamation and filled the position till 1897. In the next two following years he was reeve. By his election as commissioner of the county he has received a fitting recognition of his long municipal services. His ripe experience and sound judgment make him a valuable addition to the council.

ALEXANDER MAGEE

Commissioner Magee was born in Donegal Ireland in 1860. He came to Canada when 15 years old and worked for farmers in Fenelon township till he reached manhood. Then lumbering engaged his attention. He spent three years in the forests of Michigan, returned to Fenelon Falls, and after running a sawmill there for a year, he bought 50 acres at lot 16 concession 8, of the township and worked it for five or six years. His brother Robert bought 100 acres adjoining. Three years ago the commissioner bought his brother's farm and now operates the whole block. He ran for township councillor six years ago in the patron interests and was defeated. Next year he was elected by acclamation. After another term he became deputy reeve. Next year he was reeve and was given the following term by acclamation. This year he was unopposed as county commissioner for No. 4. Mr. Magee is a young man whose business ability and early municipal experience give promise of a useful future.

ADAM E. STABACK

The commissioner for No. 6 is not strictly speaking a new man. He was elected upon the death of Commissioner Cameron in 1900, but after the sketches of the other members appeared in these columns so that it is only fitting that he should be included in this group. Mr. Staback was born in Columbus, Whitby township, in 1857. He is of English and Scotch descent. After attending school in his native village and at Whitby, he entered the High school at Manilla, to which village his parents had removed. Inspector Reazin was then principal. Graduating from that institution Mr. Staback taught for eight years in Brock, Eldon, Mara, and for two years in East Saginaw, Mich. In 1881 he went to Manitoba in the employ of the C.P.R. Returning to Eldon he was made postmaster at Balsover. At the same time he was engaged in farming and milling operations. In 1888 he moved to the 4th concession of Eldon and engaged in farming. Later he accepted the position of postmaster at Woodville.

Mr. Staback's municipal career dates from 1884, when he was elected councillor for Eldon. During '85, '86, '87, '88, '89, he was deputy reeve, the last three years by acclamation. He next became reeve and was warden of the county in 1891. After that he was out of municipal politics till elected to his present position. Mr. Staback is a man of education and executive ability and a strong factor in the county legislature.

JAMES ROBERTSON

The commissioner for No. 2 is a young man who has attained early success. He was born on the homestead where he now lives—parts of lots 14 and 15 in the sixth—in 1864, and is of Scotch descent. In 1897 he was deputy reeve and held the position by acclamation in 1898. Next year he ran for county council but was defeated by 7 votes, only to be put at the head of the poll by a majority of 280 in the last election. He is a shrewd and careful business man in whose hands the interests of his constituents are safe.

CHARLES FAIRBAIRN

Mr. Chas. Fairbairn ex-M.P. for South Victoria was born in the township of Smith, nine miles north of Peterboro in 1837. His father was a native of Peblshire Scotland and his mother a niece of Judge Hagerman, one of the first judges of Upper Canada. She was one of the first white children born in Port Hope. From the age of 18 Mr. Fairbairn was foreman in lumbering operations till he was 36 years old. In 1860 he settled on the farm he now occupies a little south of Bobcaygeon village. Two years later he married Esther Fee. The same year he was elected to council and after serv-

ing for six years became reeve which office he filled with the exception of one year till his resignation in 1890. He served two terms as member at Ottawa. In all Mr. Fairbairn has won 34 out of 36 contests in this county and is still a vigorous addition to the county council.

Sporting World

—Sharkey and Maher are matched for a twenty round contest in Louisville, Ky., during February.

Toronto Star: Upper Canada has one of the best shots in the city in Gill, who plays on the left wing.

—The O.H.A. has issued instructions that all games scheduled for the day of Her Majesty's funeral be postponed.

—Fenelon Falls beat Bobcaygeon 9 to 2 in a Trent Valley League game at Bobcaygeon, Friday night. Mr. H. M. Knowlson of town refereed the game.

—It is understood that the Ontario Jockey Club will retain the title "Queen's Plate" for the great annual race at the Woodbine for maiden province-bred horses.

—Port Perry has now a pacing record for Canada. On Wednesday last Looking Glass won in straight heats, going the fastest three consecutive heats ever paced over ice in Canada.

—The game commission before concluding their annual meeting at Toronto, on Wednesday night decided not to recommend any changes in the game laws this year. The proposal to extend the deer hunting season was not entertained.

—Philadelphia Record.—James Kent, while playing hockey on the ice with some wealthy neighbors at Fishkill Landing, on the Hudson river, Sunday afternoon, fell and fractured his skull. He died shortly afterwards.

—James J. Jeffries, who wrested the premier pugilistic honors from Robert Fitzsimmons, and who is now matched to fight August Ruhlin for the championship of the world, has begun suit in the Supreme Court to recover from Richard K. Fox \$2500, the value of a diamond-studded belt, emblematic of the championship.

—The O.H.A. executive have granted a permit to J. Coleman, a teacher at Ops station, to play with Lindsay, but the applications were refused in the case of A. S. Parkin, who has removed to Port Perry, and of Ewart, Gilliam, Anderson, Hartley and Milburn, who had played in the Trent Valley League.—Toronto News.

—Toronto World: "Connie Sullivan, who 10 years ago was the bantam-weight champion, is dead. His death was due to pneumonia. Sullivan was a pupil of Jack Dempsey, and trained with many champions. The deceased will be remembered as having taken part in a 24th May celebration here, in 1890, along with E. W. Johnston, Fitzgerald and Bob Harrison.

—The return game in the intermediate series of the O.H.A. between Peterboro and Lindsay was played Monday night, resulting in a victory for the visitors. At half-time the score stood 5 to 0 in favor of Peterboro, but during the latter half Lindsay succeeded in scoring three and Peterboro the same, leaving a final score of 8 to 3 in favor of Peterboro. Mr. Hugh Jack of Toronto refereed the game to the satisfaction of both teams.

The Public Health

The Board of Health met for the first time this year on Monday afternoon. Present: Dr. McAlpine and Messrs. Duck, Keith, Staples, Mills and the mayor.

Mr. Charley Veitch will be formally asked to complete the sanitary renovation of his premises and the owners will at the same time be notified that the work must be done by Feb. 15th. If they do not do it it seems Mr. Veitch as tenant can do the work and keep the cost from the rent.

Dr. McAlpine—If the germs of typhoid were in the water of that well, other families using it would likely have contracted the disease.

Mr. Mills—The others claim to have boiled the water.

The M.H.O. and inspector were instructed to send samples of some suspected wells and also of the town supply to Toronto for analysis. Once before that had been done and the officials inquired from what surroundings it had been taken and when the Board refused to say, failed to make the analysis. If that occurs this time appeal will be made to the Minister, for the Board wants an independent report and is not willing to supply any information.

Mr. Mills—The sewer outlets at Kent and Francis-sts. are nuisances. If they are not remedied the people will rise up in rebellion. The pipe at Francis-st. ought to be extended to deep water and the sewer and drains along the town wharf put into a pipe extending some distance down the river.

Com. Chambers told the Medical Health Officer that several Kent-st. cellars are filthy, some with decaying vegetables. Mr. Douglass will investigate.
