THE BARGAINS THAT ARE BEING GIVEN AT

Graham's Great 30 Days' Sale

We are winning new friends daily. The slashing of prices is going to make January as interesting as Christmas, and crowd the month with a faithful crop of buying chances, the like of which the oldest inhabitant never heard. THIS WEEK with one mighty sweep we clip from 33 1-3 to 50 per cent. off former selling prices, and hand buyers back the difference in generous good values. No half-hearted policy or revision of prices with Graham but an honest, general, well directed effort to clear the whole stock by the end of the month.

> COME OFTEN! COME EARLY!

And watch the price-tickler changing. If a dollar saved is a dollar earned, dollars are waiting you at Graham's. Don't stand in your own light. Saving a dollar or two on this, fifty cents on that, and a quarter on something else by buying at Graham's now, in a little while spell P.r-o-s-p-e-r-i-t-y-Men's Overcoats, Ulsters, Reefers and Suits suffer the keenest cuttings, and if we don't un-

load in a few short weeks it won't be our fault. Such prices as these should make their speedy disappearance:

Every mother in this vicinity should come to GRAHAM'S and pick her Boys' Clothing while the picking is good. Bargains that makes homemaking a waste of time. We have far too many Boys' Suits. Time is short to sell them. Chances are all in your favor.
