A Terrible Cough.

If people would only treat coughs and colds in time with Dr. Wood's Norway Pine Syrup, there would be fewer homes desolate.

The severest coughs and colds, bronchitis and croup, and the first stages of consumption yield readily to this powerful, lung-healing remedy.

Read what Mrs. Thos. Carter, Northport, Ont., says: "I caught a severe cold, which settled on my throat and lungs, so that I could scarcely speak above a whisper. I also had a terrible cough which my friends thought would send me to my grave. I tried different remedies but all failed to do me any good until I took Dr. Wood's Norway Pine Syrup, and the contents of one bottle completely cured me."

COUNTY CORRESPONDENCE

KINMOUNT
The annual entertainment in connection with St. James S. school was held in Scott's Hall on Tuesday, 14th inst., and was a decided success. The program was varied and entertaining and earned much applause. There were two splendid drills; one the floral drill by several girls was well executed, another where five boys were required to stand on their heads. There was a splendid farce entitled, "Woman's Rights," in which Mr. Fred Wilson was seen in the capacity of cook. Fred tried to mash raw potatoes but couldn't make the grade. Miss Caldwell sang a very pretty song and was loudly encored. Mr. A. Train sang two comic songs entitled "Now he's Sorry That He Spoke," and "Never Mind the Rest." Miss Wilson and Miss Smith gave a recitation each. There was as usual a large evergreen tree loaded with presents for the children.

It is with the deepest sorrow that we report the death of Mr. Charles H. Walsh, who died on Tuesday, 14th inst., after one week's short illness from typhoid fever and pneumonia. Deceased came to Kinmount several years ago with his father Mr. G. H. Walsh from Tilsonburg, Ont., and worked at shingle packing in the mills here. About 13 months ago he married Maud, eldest daughter of Mr. John Dunbar, who survives him. Charles had been working a few weeks for Mr. Trick at Norland and was brought home by that gentleman on the 7th severely ill. Dr. Frost was called and did his best for the suffering man and on the 14th Dr. McAlpine of Lindsay was also sent for but the skill of both was unavailing and he passed peacefully away. The funeral on the 16th was under the auspices of the Independent Order of Foresters, of which deceased was a member. The body was taken to the Baptist church, where a very appropriate and feeling sermon was preached by the Rev. Mr. Yorston. A large concourse of sorrowing friends followed the remains to the Kinmount cemetery. Much sympathy is felt for the bereaved widow in her sad affliction.

Rev. Rural Dean Soward exchanged pulpits with the Rev. Wm. Farncomb of Fenelon Falls last Sunday. Mr. Farncomb preached to the local lodge of Freemasons on Sunday afternoon at St. James' church. The Union Sunday school took their annual sleighride on Friday evening after which tea was served in the Baptist church and presents distributed.

The annual entertainment to commemorate the birth of Bobbie Burns the Scottish poet will be held on Friday, the 14th, in Morrison's hall. A good time is expected.

M. A. Hopkins, general merchant has bills out for a clearing sale of the large stock now on hand. There is a general cut in the price of everything.

Mr. Fred Dettman has purchased a trotting sleigh and can be seen driving his high stepper at break-neck speed almost any day.

Mr. Neil Wilson is visiting at Mr. Snell's, near Minden. Wedding expected.

BALSAM LAKE
Our school opened on 6th inst. under the direction of Miss Grey of Lindsay.

The series of special services, were brought to a close on Thursday night, 9th., after nearly six weeks of earnest work in preaching, praying, and trying to bring sinners into the kingdom. As a result of the efforts upwards of twenty have professed to have made their peace with God.

It is our sad duty to record the death of George W. Parrington, eldest son of Mr. Leonard Parrington, which took place at his father's residence on Sunday morning at 8 a.m. The deceased young man was 22 years of age. He had been sick only one week with inflammation of the lungs, and until the last night of his sickness was not considered to be dangerously ill either by the attending physicians or his parents. The sad event has cast a gloom over the entire neighborhood, and as the funeral takes place today, Tuesday, to Zion cemetery, school has been suspended. May the God of love sustain the parents and brothers in this their hour of sorrow.

Our church anniversary services and tea were a decided success. On Sunday Rev. E. Roberts of Lindsay filled the pulpit at 10 a.m. and 7 p.m. The morning subject was the church praying for Peter who was in prison, (Acts: 12: 5), and the evening subject justification by faith (Romans: 5: 1). The minister handled his subjects in a masterly manner which was much appreciated by the audience both morning and evening. On Monday night the tea and entertainment was grand. First the well-filled baskets poured in from not only the Long Point appointment but from outside appointments as well and people of other denominations flocked in until the church was packed. After the inner man had been satisfied a good program was carried out to the satisfaction of all. Rev. E. Roberts brought the house down with his excellent lecture, "A Practical Talk to Church Pews." After a vote of thanks to all who had assisted in every way to make the entertainment a success the meeting was brought to a close by singing the national anthem and pronouncing the benediction, all being well pleased and ready to come again. Proceeds of Sunday and Monday were upwards of \$70. in aid of building fund.

News and Nonsense Gleaned From Exchanges and Elsewhere

—Because the Germans have gone on so about Chamberlain's reflections on their troops, the Mail and Empire says there is something wrong with the German's liver. Seems more likely his spleen is the trouble.

—At a big Liberal meeting in London recently Lord Rosebery's letter saying that he could not attend was greeted with cries of "Burn it," "Wobbler" and "Traitor." The general tone of the meeting showed hostility to the man in his "lonely furrow." Mr. Rosebery had better do the Cincinnati act and give up the furrow for a little fighting, or else lie very low in it.

—A Toronto man says the British need a Gideon in Africa, and the Star man perpetrates the remark that many of the officers there are Gideonough already.

It is believed a vessel laden with mules for the British in South Africa has been blown up by enemies of England. The officers of the Clan-na-Gael of Chicago say they are not surprised to hear of it. For the Irish society to kill the mules is in the nature of fratricide.

Hair Splits

"I have used Ayer's Hair Vigor for thirty years. It is elegant for a hair dressing and for keeping the hair from splitting at the ends."
—J. A. Gruenfelder, Granfork, Ill.

Hair-splitting splits friendships. If the hair-splitting is done on your own head, it loses friends for you, for every hair of your head is a friend.

Ayer's Hair Vigor in advance will prevent the splitting. If the splitting has begun, it will stop it.
