RAISE YOURSELF

The salary and position that are now beyond your reach, can easily be obtained if you get the proper foundation to rise on. It does not matter what you are doing now, we can prepare you for higher work.

Tell Us What Position You Want

and we will explain how we can give you the training that will fit you for it. This pamphlet briefly outlines our plan of work. Read it carefully and use the enclosed card if you want to qualify for any of the following positions:

- | | |
|--------------------------------|--------------------------------|
| <i>Mechanical Engineer</i> | <i>Hydraulic Engineer</i> |
