The Watchman-Warder ANNUAL MEETING OF THE AGRICULTURAL SOCIETY.

Published Every Thursday Morning. Guaranteed Circulation 4,300 Weekly. Enthusiastic Meeting—Mr. Johnson Ellis, President and Mr. James Keith Secretary-Treasurer—An Excellent Report.

We have had placed in our hands the prospectus of the Trent Valley Sugar, Provision and Cold Storage Co. of Peterboro. We understand our farmers are being solicited to become stockholders in the Company.

ONTARIO DAIRYMEN

Ontario is proud of the work of her dairymen, and she has reason for her pride. She has more reason to be hopeful, for, as was said by a speaker at the dairying convention at Peterboro, it was possible to do twice or thrice as well in the future.

Our average Canadian cow produces not half the amount of milk she should; a fine cow would in ten years if scientific dairying were to be adopted by every cow-owner in Canada.

Chatham Incubator still to the front. Home experience, with the Chatham Incubator is all a man wants; and more. What accomplishes the work for your neighbor will do just as well for yourself.

Chalmers and the Sewer Contract

(Continued from page 5.) ing so read two clauses. One clause stated that the engineer should be the sole judge of the work done, material supplied, and if the contractor fails to make good any defect within 48 hours, then the engineer has power to have the work done and charged up to the contractor.

Chalmers and the Sewer Contract

Mr. Chalmers claimed he had no official notification of the faulty construction of the sewer. ... J. McCrae: "I was authorized to ask Mr. Chalmers to look at the sewer, and continually asked him.

Chalmers and the Sewer Contract

MAYOR FROOMAN did not consider the excuse worth anything. "You are quibbling Mr. Chalmers, when you make an excuse like that." ... On further discussion it was discovered that the sewer claim was not against the construction of the main sewer on Sussex-st., consequently he did not think it wise to withhold the sums due for work on the other sewers.

Chalmers and the Sewer Contract

On motion of Ald. O'Reilly the report was adopted after striking out the two items Sussex and Durham-st. sewer, and the Albert-st. sewer, amounting in all to \$175.62. The by-law appointing Messrs. C. H. Lindsay and Jas. Fleury as assessors for the town this year was passed, the salaries to be \$175. ... Council then adjourned.

Chalmers and the Sewer Contract

Mr. W. O. McKinnon, of Toronto spent Sunday in town. ... Mr. Peter Anderson is busily engaged drawing brick for his new house.

AGRICULTURAL SOCIETY.

The annual meeting of the South Victoria Agricultural Society was held in the Council chamber on Wednesday last. The county and town were well represented. A quiet, but enthusiastic meeting heard the reports of the directors, also the financial statement, Mr. Jas. H. Hopkins in the chair.

The directors' report, read by Pres. Ellis, was as follows: "Gentlemen,—Another year has come and gone and we meet here for our annual meeting. We have to report that we have had the largest and best fair ever held here. The weather was favorable and keen competition in every department. \$320.00 more than other years was offered in prizes and \$200 more was paid out.

Mr. Johnson Ellis was again unanimously elected President, Mr. Robt. Bryans, Vice-President and Mr. Wm. Channon, 2nd, Sec. President. The old directors were again elected, with Mr. Fred Brass, for Mariposa, viz: Edwin Mark, Fred Brass for Mariposa; John B. Graham, Major E. H. Hopkins for Ops.; Mr. Wm. Lehane, for Emily; Mr. Chas. Fairbairn, Verulam; Mr. Jos. Hickson, Manvers; Mr. John Carey and John A. Williamson, Lindsay.

Messrs. Hopkins and Newton Snaile were appointed auditors. Messrs. Fairbairn, Carey and Bryans spoke of the zeal and hard work performed by the president and a standing vote of thanks was tendered Mr. Ellis.

Thursday, Friday and Saturday, September 20th, 21st and 22nd were the dates fixed for the exhibition of 1906.

Mr. Jas. Keith was again on motion of Mr. Channon, who spoke in befitting terms of his past long services, unanimously appointed Secretary-Treasurer.

The president and Mr. Channon were appointed delegates to the Fairs Association to be held in Toronto. The meeting was one of the best ever held in Lindsay and the reports were so gratifying that we bespeak for the South Victoria Agricultural Society a most encouraging outlook for 1906.
