Comfort

There is no sphere of existence hat hasn't its compensations. In bleak Siberia during the long winters each native sleeps with his feet on a dog. A Hot Water Bottle is an improvement on the Siberian plan for keeping the feet warm. It affords a lot of comfort at very trifling cost. and it's odd that anybody would be without one. We have a good assortment of Hot Water Bottles, the dependable guaranteed kind, and are making very satisfactory prices on them.

Gluttons. The old feudal lords of England were the biggest hogs on earth. Their life was made up of the chase, gluttony and drunkenness. The habit of gluttony was handed down to them. It came directly from Lucullus and his imitators. There is no doubt that Lucullus, held up before us as the table nine o'clock on Tuesday morning and saint, ate himself to death. It was not tickets will be good to return on the only the quantity of food he ate, but special train in the evening or on its quality as well, that put so misany regular train on the following erable an end to him. Fielding proved many years ago that there was a large amount of fudge about Lucullus. On general principles he was, from a culinary point of view, a fraud. A single supper at which Cicero and Pompey were guests is said to have cost him 50,000 denari (about \$8,500), but he probably served his guests a feast of barbecued sow, topped off with cherries. He was excessively vain of his cherries, and, as for his sow, she was
